EUR 6 billion debt issuance programme in respect of issues guaranteed by the Republic of Austria

On 8 January 2009 Erste Group Bank established a EUR 6 billion debt issuance programme in respect of issues guaranteed by the Republic of Austria pursuant to a framework agreement for bond issues entered into with the Republic of Austria. Erste Group Bank has subsequently issued two series of bonds guaranteed by the Republic of Austria with a total nominal amount of EUR 2.5 billion.

Increase of tier 1 capital

On 26 February 2009, Erste Group Bank and Erste Bank Oesterreich signed an agreement in principle ("Grundsatzvereinbarung") with the Republic of Austria for the subscription of tier-1 capital according to the Banking Act originally announced in October 2008. This allows for the issue of tier-1 capital by Erste Group in a total amount of up to EUR 2.7 billion. The Grundsatzvereinbarung contains certain covenants and undertakings to the Republic of Austria in connection with the issue of the above-mentioned tier-1 capital and in connection with the conduct of business of Erste Group Bank and Erste Bank Oesterreich, which are in force as long as the Republic of Austria holds such tier-1 capital.

In line with the decision of the Extraordinary General Meeting of 2 December 2008, Erste Group Bank intends to offer participation capital (which qualifies as tier 1 capital under Austrian banking law) to its existing shareholders in accordance with their subscription rights as well as to retail and institutional investors. The terms of the Grundsatzvereinbarung state that subject to the expected partial public placement of such participation capital there will be no restrictions on the dividend distribution and the dividend rate for the participation capital will be 8% p.a. The participation capital is not convertible into ordinary shares. Should the participation capital not be repaid, the dividend rate will increase by 0.5 percentage points for each of the financial years 2015 and 2016, by 0.75 percentage points for the financial year 2017 and by one percentage point for every year after that. The dividend rate is, however, capped with 12-month Euribor plus 10% p.a.

On 10 March 2009, a first tranche of such participation capital in an aggregate nominal amount of EUR 1,000,000,000 has been purchased by the Republic of Austria in accordance with the Interbank Market Support Act 2008 (*Interbankmarktstärkungsgesetz*), following the waiver of an adequate number of subscription rights by certain existing shareholders. Further tranches of such participation capital may be issued by Erste Group Bank.

**SIGNATURE ACCORDING TO THE AUSTRIAN CAPITAL MARKETS ACT
("KAPITALMARKTGESETZ")**

Erste Group Bank AG hereby signs this Supplement as Issuer pursuant to Sec 8 para 1 of the Austrian Capital Markets Act ("Kapitalmarktgesetz").
