To the extent that there is any inconsistency between a) any statement in this Supplement and b) any other statement in or incorporated by reference in the Prospectus, the statements in a) above will prevail.

Save as disclosed in this Supplement, no other significant new factor, material mistake or inaccuracy relating to information in the Prospectus has arisen or been noted, as the case may be, since the publication of the Prospectus.

In accordance with Art 16 of the Prospectus Directive and Sec 6 KMG, investors who have agreed to subscribe for Notes after the occurrence of the significant new factors described in this Supplement but before the publication of this Supplement have a right to withdraw their acceptances until, and including, 11 September 2014.

9 September 2014

No person has been authorised to give any information or to make any representation other than those contained in this Supplement in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of Barclays Bank PLC (the "**International Arranger**") or Erste Group Bank AG (in its capacity as the arranger of issues of Domestic Notes only, the "**Domestic Arranger**" and together with the International Arranger, the "**Arrangers**") or the Dealers (as indicated on the cover page of the Prospectus, the "**Dealers**"). Neither the delivery of the Prospectus and/or this Supplement nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Erste Group since the date hereof or the date upon which the Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer or the Erste Group since the date hereof or the date upon which the Prospectus has been most recently supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Supplement and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Supplement comes are required by the Issuer, the Arrangers and the Dealers to inform themselves about and to observe any such restriction. The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"), and may include Notes in bearer form that are subject to US tax law requirements. The Notes may not be offered, sold or delivered within the United States or to US persons except in certain transactions permitted by US tax regulations and the Securities Act. For a description of certain restrictions on offers and sales of Notes, see "Subscription and Sale" in the Prospectus.

This Supplement does not constitute an offer of, or an invitation by or on behalf of any of the Issuer, the Arrangers or the Dealers to subscribe for, or purchase, any Notes.

Neither the International Arranger nor the Dealers have independently verified the information contained in this Supplement. None of the International Arranger or the Dealers makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Supplement. Neither this Supplement nor any financial statements supplied in connection with the Programme or any Notes are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arrangers or the Dealers that any recipient of this Supplement or any financial statements should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Supplement or any financial statements and its purchase of Notes should be based upon any such investigation as it deems necessary. None of the International Arranger or the Dealers undertakes to review the financial condition or affairs of the Issuer or the Erste Group during the life of the arrangements contemplated by this Supplement nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the International Arranger or the Dealers.

Significant new factors (as referred to in Art 16 (1) of the Prospectus Directive and Sec 6(1) of the KMG) have arisen which in the Issuer's perception are capable of affecting the assessment of the Notes, and are thus herewith included in the Prospectus as follows:

1. Ratings

1.1 On page 15 of the Original Prospectus, in the second paragraph in the right column of B.17, the text "Credit rating assigned to the Issuer as of 18 August 2014" (which was included by supplement No. 3) shall be replaced by "Credit ratings assigned to the Issuer as of 9 September 2014".

1.2 On page 15 of the Prospectus, the following table shall replace the table below the text "Moody's assigned the following ratings" in B.17:

"

	Long term deposits	Short term deposits	Outlook
Erste Group Bank AG	Baa2	P-2	negative
Public Sec. Cov. Bonds	Aaa	-	-
Mortgage Cov. Bonds	Aa1	-	-
Subordinated	Ba2	-	stable

"

1.3 On page 43 of the Original Prospectus, in the first paragraph below the heading "Rating agencies may suspend, downgrade or withdraw a rating of Erste Group Bank or of a country where Erste Group is active, and such action might negatively affect the refinancing conditions for Erste Group Bank, in particular its access to debt capital markets", the last two sentences (which have been included by supplement No. 3) shall be replaced by the following:

"Erste Group Bank's long-term credit ratings are: Standard & Poor's, A- (outlook negative); Moody's, Baa2 (outlook negative), whereas on 8 September 2014, Moody's has placed on review for downgrade the ratings on the Issuer's mortgage covered bonds and public-sector covered bonds; and Fitch, A (outlook negative)."

1.4 On page 522 of the Original Prospectus, the following text shall replace the text from, and including, the paragraph reading "Moody's assigned the following ratings" until, but excluding the paragraph reading "Fitch assigned the following ratings":

"Moody's assigned the following ratings:

	Long term deposits	Short Term deposits	Outlook
Erste Group Bank	Baa2	P-2	negative
Public Sec. Cov. Bonds	Aaa	-	-
Mortgage Cov. Bonds	Aa1	-	-
Subordinated	Ba2		stable

According to the Rating Symbols and Definitions as published by Moody's (www.moody.com) as of the date of this Supplement, the above ratings have the following meanings:

'Baa' — Obligations rated Baa are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics.

'Aaa' — Obligations rated Aaa are judged to be of the highest quality, subject to the lowest level of credit risk.

'Aa' — Obligations rated Aa are judged to be of high quality and are subject to very low credit risk.

'Ba' — Obligations rated Ba are judged to be speculative and are subject to substantial credit risk.

'P-2' — Issuers (or supporting institutions) rated Prime-2 have a strong ability to repay short-term debt obligations.

Note: Moody's appends numerical modifiers 1, 2, and 3 to each generic rating classification from Aa through Caa. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category.

'Negative Outlook' and 'Stable Outlook' — A Moody's rating outlook is an opinion regarding the likely rating direction over the medium term. Rating outlooks fall into four categories: Positive, negative, stable, and developing. A negative, positive or developing outlook indicates a higher likelihood of a rating change over the medium term. A rating committee that assigns an outlook of stable, negative, positive, or developing to an issuer's rating is also indicating its belief that the issuer's credit profile is consistent with the relevant rating level at that point in time.

On 8 September 2014, Moody's has placed on review for downgrade the ratings on the Issuer's mortgage covered bonds and public-sector covered bonds."
