"**Mid-market swap rate**" means the mean of the bid and offered rates for the fixed leg of a fixed-for-floating rate swap transaction in the Specified Currency where the floating leg is equivalent to 6-months-EURIBOR *per annum*, which appears on Reuters ICESWAP2 (or the successor page displayed by the same information provider or any other information provider nominated by the Calculation Agent as the replacement information provider for the purposes of displaying the 6-months-EURIBOR).

If three or more of the Reference Banks provide the Calculation Agent with such rates, the Reference Rate for the relevant Variable Interest Period shall be deemed to be the arithmetic mean (rounded if necessary to the nearest one hundred-thousandth of a percentage point, with 0.000005 being rounded upwards) of such rates eliminating the highest rate (or, in the event of equality, one of the highest) and the lowest rate (or, in the event of equality, one of the lowest), all as determined by the Calculation Agent.

- (B) if no Independent Advisor is or can be timely appointed by the Issuer or if an Independent Advisor is appointed by the Issuer, but fails to determine a Substitute Reference Rate or, as the case may be, an Alternative Rate, then the Issuer shall determine in its reasonable discretion (in consultation with the Calculation Agent) a Substitute Reference Rate or, as the case may be, an Alternative Rate which shall replace the Original Reference Rate affected by the Benchmark Event,

and the Independent Advisor (in the case of (A) above) or the Issuer (in the case of (B) above) may

determine an Adjustment Spread (as defined below) (in accordance with subparagraph (ii) below) and any Benchmark Amendments (in accordance with subparagraph (iii) below).

Any Substitute Reference Rate or, as the case may be, any Alternative Rate, any Adjustment Spread and any Benchmark Amendments shall apply from (and including) the Determination Day selected by the Independent Advisor (in the case of (A) above) or the Issuer (in the case of (B) above) in its reasonable discretion, which shall fall no earlier than the Determination Day falling on or, if none, the Determination Day immediately following the date of the Benchmark Event (the "**relevant Determination Day**"), subject to the Issuer giving prior notice thereof to the Holders in accordance with § 11.

- (ii) *Adjustment Spread.* If the Independent Advisor (in the case of (i) (A) above) or the Issuer (in the case of (i) (B) above) determines in its reasonable discretion (A) that an Adjustment Spread is required to be applied to the Substitute Reference Rate or, as the case may be, the Alternative Rate and (B) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Substitute Reference Rate or, as the case may be, the Alternative Rate.
- (iii) *Benchmark Amendments.* If the Independent Advisor (in the case of (i) (A) above) or the Issuer (in the case of (i) (B) above) determines in its reasonable discretion a Substitute Reference Rate or, as the case may be, an Alternative Rate, the Issuer shall also be entitled to make, in its reasonable discretion, such adjustments to the Terms and Conditions of the Notes relating to the determination of the Original Reference Rate (including, without limitation, the Determination Day, the day count fraction, the business days, the relevant time and the relevant screen page for obtaining the Substitute Reference Rate or, as the case may be, the Alternative Rate and the fall back provisions in the event that the relevant screen page is not available) which in the opinion of the Independent Advisor (in the case of (i) (A) above) or the Issuer (in the case of (i) (B) above) are necessary or expedient to make the substitution of the Original Reference Rate by the Substitute Reference Rate or, as the case may be, the Alternative Rate operative (such amendments, the "**Benchmark Amendments**").

(iv) *Definitions.*

"**Adjustment Spread**" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Independent Advisor (in the case of (i) (A) above) or the Issuer (in the case of (i) (B) above) determines in its reasonable discretion is required to be applied to the relevant Substitute Reference Rate or, as the case may be, the relevant Alternative Reference Rate to reduce or eliminate, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Holders as a result of the replacement of the Original Reference Rate with the Substitute Reference Rate or, as the case may be, the Alternative Reference Rate and which:

- (a) is formally recommended in relation to the replacement of the Original Reference Rate with the Substitute Reference Rate or the Alternative Rate (as the case may be) by any Official Substitution Concept or, failing which, any Industry Solution or, if there is more than one such formal recommendation, such recommendation as selected by the Independent Advisor (in the case of (i) (A) above) or the Issuer (in the case of (i) (B) above) in its reasonable discretion; or
- (b) if no such recommendation has been made or, in the case of an Alternative Rate, which the Independent Advisor (in the case of (i) (A) above) or the Issuer (in the case of (i) (B) above) determines in its reasonable discretion is otherwise recognised or acknowledged as being the industry standard for over-the-counter derivative transactions or customarily applied or is market practice to apply in the bond market for other bonds which in either case reference the Original Reference Rate, where such rate has been replaced by the Substitute Reference Rate or, as the case may be, the Alternative Rate; or
- (c) if the Independent Advisor (in the case of (i) (A) above) or the Issuer (in the case of (i) (B) above) determines that also no such other industry standard is recognised or acknowledged, the Independent Advisor (in the case of (i) (A) above) or the Issuer (in the case of (i) (B) above)

determines in its reasonable discretion to be appropriate.

"Alternative Rate" means an alternative benchmark or screen rate which is customarily applied in international debt capital markets transactions for the purposes of determining floating rates of interest (or the relevant component part thereof) in the Specified Currency, provided that all determinations will be made by the Independent Advisor (in the case of (i) (A) above) or the Issuer (in the case of (i) (B) above).

(2) *No Early Redemption at the Option of the Issuer.* The Notes may not be redeemed at the option of the Issuer prior to their Maturity Date other than in case of an early redemption pursuant to § 5 (3) or § 5 (4).

(3) *Early Redemption for Regulatory Reasons.*

(a) The Issuer may, upon giving not less than 30 Business Days and not more than 90 Business Days notice in accordance with § 5 (3) (b), redeem all but not some only of the Notes at their principal amount together with accrued interest, if any, to but excluding the date fixed for redemption on the date fixed for redemption if, as a result of any change in, or amendment to, the directives, laws and regulations applicable in the European Union or the Republic of Austria or their interpretation,

(i) there is a change in the regulatory classification of the Notes that would be likely to result in their exclusion in full or in part from own funds or reclassification as own funds of lower quality (in each case, on an individual basis of the Issuer and/or on a consolidated basis of the Issuer's Group); or

(ii) the Notes, to the extent that, pursuant to Article 64 CRR, a portion thereof does no longer qualify as a Tier 2 item but, pursuant to Article 72a(1)(b) CRR, as an eligible liabilities item, that portion does no longer comply with the minimum requirements for own funds and eligible liabilities (MREL) (the "**MREL Requirement**") which are or, as the case may be, will be, applicable to the Issuer and/or the Issuer's MREL Group in accordance with

(A) Article 45 of the BRRD, as amended, and any applicable national law, as amended, implementing the BRRD; or

(B) Article 12 of the Regulation (EU) No. 806/2014 of the European Parliament and of the Council of 15 July 2014, as amended.

This does not apply if such non-compliance would only be based on the remaining maturity of the Notes being less than any period prescribed in the applicable MREL regulations or any applicable limits on the amount of eligible liabilities instruments being exceeded.

Where:

"**Issuer's Group**" means the Issuer and its consolidated Subsidiaries.

"**BRRD**" means the Directive 2014/59/EU of the European Parliament and of the Council of 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms (Bank Recovery and Resolution Directive), as implemented in the Republic of Austria and as amended or replaced from time to time, and any references in these Terms and Conditions to any relevant Articles of the BRRD include references to any applicable provisions of law amending or replacing such Articles from time to time.

"**Issuer's MREL Group**" means the Issuer and its subsidiaries which have to comply with the MREL Requirement on a group basis.

Any such early redemption pursuant to this § 5 (3) shall only be possible if the conditions to redemption and repurchase set out in § 5 (5) are met.

(b) The notice of redemption shall be given by the Issuer to the Holders in accordance with § 11. Such notice shall be irrevocable and shall specify:

(i) the series of Notes subject to redemption;

(ii) the date fixed for redemption.

(4) *Early Redemption for Reasons of Taxation.*

(a) The Issuer may, upon giving not less than 30 Business Days' and not more than 90 Business Days notice in accordance with § 5 (4) (b), redeem all but not some only of the Notes at their principal amount together with accrued interest, if any, to but excluding the date fixed for redemption on the date fixed for redemption if, on the next succeeding Interest Payment Date, the Issuer will become obliged to pay Additional Amounts pursuant to § 7 (1) as a result of any change in, or amendment to, the laws or regulations of the Republic of Austria or of any political subdivision or taxing authority thereof or therein, or as a result of any change in, or amendment to, an official interpretation or application of such laws or regulations, which amendment or change is effective on or after the date on which the last tranche of this series of Notes is issued, and such amendment or change has been evidenced by the delivery by the Issuer to the Paying Agent (who shall accept such certificate and opinion as sufficient evidence thereof) of (i) a certificate signed by two authorised representatives of the Issuer on behalf of the Issuer stating that such amendment or change has occurred (irrespective of whether such amendment or change is then effective), describing the facts leading thereto and stating that such requirement cannot be avoided by the Issuer taking reasonable measures available to it and (ii) an opinion of independent legal advisers of recognised reputation to the effect that such amendment or change has occurred (irrespective of whether such amendment or change is then effective), provided that no such notice of redemption shall be given earlier than 90 calendar days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Notes then due. No such notice of redemption shall be given if at the time such notice takes effect, the obligation to pay such Additional Amounts does not remain in effect.

Any such early redemption pursuant to this § 5 (4) shall only be possible if the conditions to redemption and repurchase set out in § 5 (5) are met.

(b) The notice of redemption shall be given by the Issuer to the Holders in accordance with § 11. Such notice shall be irrevocable and shall specify:

- (i) the series of Notes subject to redemption;
- (ii) the date fixed for redemption.

(5) *Conditions to Redemption and Repurchase.* Any early redemption pursuant to this § 5 and any repurchase pursuant to § 10 (2) is subject to the Competent Authority and/or the Resolution Authority having granted the Issuer the prior permission in accordance with Articles 77 et seq CRR or any successor provision for the early redemption or the repurchase, whereas such permission may, inter alia, require that:

(i) either (A) the Issuer replaces the Notes with own funds instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or (B) the Issuer has demonstrated to the satisfaction of the Competent Authority and/or the Resolution Authority that the own funds and eligible liabilities of the Issuer would, following such early redemption or repurchase, exceed the requirements for own funds and eligible liabilities laid down in the CRR, the CRD and the BRRD by a margin that the Competent Authority and/or the Resolution Authority considers necessary at such time; and

(ii) in the case of any early redemption or repurchase prior to the fifth anniversary of the date of issuance of the Notes:

(A) in the case of any early redemption pursuant to § 5 (3), the Competent Authority and/or the Resolution Authority considers such change to be sufficiently certain and the Issuer has demonstrated to the satisfaction of the Competent Authority and/or the Resolution Authority that the relevant change in the regulatory classification of the Notes was not reasonably foreseeable as at the date of issuance of the Notes; or

(B) in the case of any early redemption pursuant to § 5 (4), the Issuer has demonstrated to the satisfaction of the Competent Authority and/or the Resolution Authority that the applicable change in tax treatment is material and was not reasonably foreseeable as at the date of issuance of the Notes; or

(C) in the case of any early redemption or repurchase of the Notes, the Issuer, earlier than or at the same time as the early redemption or the repurchase, replaces the Notes with own funds instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer and the Competent Authority has permitted that early redemption or repurchase based on the determination that it would be beneficial from a prudential point of view and justified by exceptional circumstances.

Notwithstanding the above conditions, if, at the time of any early redemption or repurchase, the prevailing supervisory regulations applicable to the Issuer permit the early redemption or repurchase only after compliance with one or more alternative or additional pre-conditions to those set out above, the Issuer shall comply with such other and/or, as appropriate, additional pre-conditions, if any.

For the avoidance of doubt, any refusal of the Competent Authority and/or the Resolution Authority to grant permission in accordance with Articles 77 et seq CRR or any successor provision shall not constitute a default for any purpose.

Where:

"Competent Authority" means the competent authority pursuant to Article 4(1)(40) CRR which is responsible to supervise the Issuer.

"CRD" means Directive 2013/36/EU of the European Parliament and of the Council of 26 June 2013 on access to the activity of credit institutions and the prudential supervision of credit institutions and investment firms, amending Directive 2002/87/EC and repealing Directives 2006/48/EC and 2006/49/EC, as amended or replaced from time to time, in particular by the Directive (EU) 2019/878 of the European Parliament and of the Council of 20 May 2019 amending Directive 2013/36/EU as regards exempted entities, financial holding companies, mixed financial holding companies, remuneration, supervisory measures and powers and capital conservation measures; to the extent that any provisions of the CRD are amended or replaced, the reference to provisions of the CRD as used in these Terms and Conditions shall refer to such amended provisions or successor provisions from time to time.

"Resolution Authority" means the authority pursuant to § 2 No 18 in connection with § 3 (1) BaSAG which is responsible for a resolution of the Issuer and which reference shall include the Single Resolution Board.

(6) *No Early Redemption at the Option of a Holder.* The Holders do not have a right to demand the early redemption of the Notes.

§ 6

§ 7

TAXATION

(1) *Gross-up.* All payments of interest or principal by or on behalf of the Issuer in respect of the Notes shall

be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature ("**Taxes**") imposed, levied, collected, withheld or assessed by or within the Republic of Austria or by any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

If the Issuer is required by law to make any withholding or deduction for any Taxes from any payment of interest in respect of the Notes, the Issuer shall pay such additional amounts (the "**Additional Amounts**") to the Holder as shall result in receipt by that Holder of such amounts as would have been received by the Holder had no such withholding or deduction been required, except that no such Additional Amounts shall be payable with respect to any Note:

- (a) which are payable to, or to a third party on behalf of, a Holder who is liable to such Taxes in respect of such Note by reason of its having some connection with the Republic of Austria other than the mere holding of the Note; or
- (b) in respect of any Taxes which are to be withheld or deducted pursuant to (i) any European Union Directive or Regulation concerning the taxation of interest income, or (ii) any international treaty, agreement or understanding relating to such taxation and to which the Issuer's country of domicile for tax purposes or the European Union is a party, or (iii) any provision of law implementing, or complying with, or introduced to conform with, such Directive, Regulation, treaty, agreement or understanding; or
- (c) in respect of any Taxes which are payable by any person acting as custodian bank or collecting agent on behalf of a Holder, or otherwise in any manner which does not constitute a withholding or deduction by the Issuer from payments of interest made by it.

(2) *U.S. Foreign Account Tax Compliance Act (FATCA)*. The Issuer is authorised to withhold or deduct from amounts payable under the Notes to a Holder or beneficial owner of Notes sufficient funds for the payment of any tax that it is required to withhold or deduct pursuant an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), or that is otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a "**FATCA Withholding**"). Neither the Issuer nor any other person will be required to pay any additional amounts in respect of FATCA Withholding.

§ 8 PRESCRIPTION

Claims against the Issuer for payment in respect of the Notes shall be prescribed and become void unless made within thirty years (in the case of principal) and three years (in the case of interest) upon the relevant due date.

§ 9 NON-PAYMENT AND INSOLVENCY

(1) *Non-payment*. Each Holder shall be entitled in any event contemplated in sub-paragraphs (a) and (b) (other than in case of insolvency (bankruptcy) proceedings are commenced against assets of the Issuer), upon sending a written notice to the Issuer, to inform the Austrian Financial Market Authority (or any other authority competent for such matters in the future) of the occurrence of such event and propose that the Austrian Financial Market Authority (or any other authority competent for such matters in the future) applies to the competent court in Vienna for the commencement of bankruptcy proceedings against the assets of the Issuer:

- (a) default is made on the payment of interest or principal in respect of the Notes for a period of fifteen (15) calendar days (in the case of interest) or seven (7) calendar days (in the case of principal) from (and including) the relevant Interest Payment Date or Maturity Date; or
- (b) special receivership proceedings (*Geschäftsaufsichtsverfahren*) pursuant to the Austrian Banking Act (*Bankwesengesetz*) (or any other regulation applicable in the future) are commenced against the Issuer, or the Austrian Financial Market Authority (or any other authority competent for such matters in the future) institutes regulatory measures (*aufsichtsbehördliche Maßnahmen*) with the effect of a temporary moratorium or the Issuer shall be wound up or dissolved, otherwise than for the purposes of reconstruction, merger or amalgamation in which the successor entity assumes all the obligations of the Issuer with respect to the Notes.

(2) *Insolvency*. Each Holder shall be entitled, if insolvency proceedings are commenced against assets of the Issuer, to file an application in such court demanding payment of all principal amounts due under the

Notes together with accrued interest and any Additional Amount.

§ 10 FURTHER ISSUES OF NOTES, REPURCHASES AND CANCELLATION

(1) *Further Issues of Notes.* The Issuer may from time to time, without the consent of the Holders, issue further Notes having the same terms as the Notes in all respects (except for the issue date, issue price, Interest Commencement Date and/or first Interest Payment Date) so as to form a single series with the Notes.

(2) *Repurchases.* Provided that all applicable regulatory and other statutory restrictions are observed, and provided further that the conditions to redemption and repurchase laid down in § 5 (5) are met, the Issuer and any of its Subsidiaries may at any time repurchase Notes in the open market or otherwise at any price. Notes repurchased by the Issuer or the Subsidiary may, at the option of the Issuer or such Subsidiary, be held, resold or surrendered to the Paying Agent for cancellation.

Where:

"Subsidiary" means any subsidiary of the Issuer pursuant to Article 4(1)(16) CRR.

(3) *Cancellation.* All Notes redeemed in full shall be cancelled forthwith and may not be reissued or resold.

§ 11 NOTICES

(1) *Publication.* All notices of facts concerning the Notes shall be published on the website of the Issuer ("www.erstegroup.com"). Any notice so given will be deemed to have been validly given on the fifth calendar day following the date of such publication (or, if published more than once, on the fifth calendar day following the date of the first such publication). This does not affect any applicable stock exchange law publication requirements. Legally material notices shall be given to the Holders via the respective institutions which maintain the Holders' security accounts. Alternatively, the Issuer shall be entitled to send at any time notices directly to Holders known to the Issuer.

(2) *Notification to Clearing System.* If the publication of notices pursuant to paragraph (1) is no longer required by law, the Issuer may, in lieu of publication in the media set forth in paragraph (1), deliver the relevant notices to the Clearing System, for communication by the Clearing System to the Holders. Any such notice shall be deemed to have been given to the Holders on the seventh calendar day after the calendar day on which said notice was delivered to the Clearing System.

(3) *Form of Notice to Be Given by any Holder.* Notices regarding the Notes which are to be given by any Holder to the Issuer shall be validly given if delivered in text format (*Textform*) (e.g. in writing) in the German or English language to the Issuer. The Holder shall provide evidence satisfactory to the Issuer of its holding of the Notes. Such evidence may be (i) in the form of a certification from the Clearing System or the Custodian with which the Holder maintains a securities account in respect of the Notes that such Holder is, at the time such notice is given, the Holder of the relevant Notes, or (ii) in any other appropriate manner. **"Custodian"** means any bank or other financial institution of recognised standing authorised to engage in securities custody business with which the Holder maintains a securities account in respect of the Notes and includes the Clearing System.

§ 12 MEETING OF HOLDERS, MODIFICATIONS AND WAIVER

(1) *Amendment of the Terms and Conditions.* In accordance with subsequent provisions the Holders may agree with the Issuer on amendments of these Terms and Conditions with regard to certain matters by resolution with the majority specified below. Majority resolutions of the Holders shall be binding on all Holders alike. A majority resolution of the Holders which does not provide for identical conditions for all Holders is void, unless Holders who are disadvantaged have expressly consented to their being treated disadvantageously.

(2) The Holders may consent, by majority resolution, to the following measures, among others:

(a) changes in the due date or reduction or exclusion of interest payments;

- (b) changes in the due date of the principal amount;
- (c) reduction of the principal amount;
- (d) subordination of the claims under the Notes during insolvency proceedings of the Issuer;
- (e) conversion or exchange of the Notes into shares, other securities or other promises of performance;
- (f) changes in the currency of the Notes;
- (g) waiver or limitation of the Holders' right of termination;
- (h) substitution of the Issuer; and
- (i) amendments to or cancellation of ancillary conditions of the Notes.

Any amendments will not be made if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to (i) result in a change in the regulatory classification of the Notes that would be likely to result in their exclusion from own funds or reclassification as a lower quality form of own funds, or (ii) prejudice the qualification of the Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of the bank resolution laws applicable to the Issuer from time to time.

(3) *Convening a Meeting of Holders.* The Holders' meeting shall be convened by the Issuer or by the Joint Representative of the Holders. It shall be convened if Holders who together hold 5 *per cent.* of the outstanding Notes request such convocation in writing for the purpose of appointing or removing a Joint Representative, passing a resolution in order to render a termination invalid or for any other particular interest in such convocation.

(4) *Contents of the Convening Notice, Publication.* The convening notice shall state the name and the registered office of the Issuer and the time of the Holders' meeting, the agenda and the conditions on which attendance at the Holders' meeting and the exercise of voting rights shall depend. The convening notice shall be published pursuant to § 11.

(5) *Convening Period, Evidence.* The Holders' meeting shall be called at least 14 calendar days before the date of the meeting. As evidence for the entitlement to participate in the Holders' meeting a special confirmation issued by the Clearing System or the Custodian in text form shall be presented.

(6) *Agenda.* The convening party shall include in the agenda a proposed resolution for each subject on which the Holders' meeting is to pass a resolution. The agenda of the Holders' meeting shall be published together with the convening notice. No resolutions may be passed on agenda items that have not been published in the required manner. Holders who together hold 5 *per cent.* of the outstanding Notes may request that new items be published for resolution. Such new items must be published no later than the third calendar day preceding the Holders' meeting. Without undue delay and until the date of the Holders' meeting, the Issuer shall make available to the Holders on its website ("www.erstegroup.com"), any counter-motions announced by a Holder before the meeting.

(7) *Quorum.* The Chairperson shall prepare a register of Holders participating in the vote. Such register shall include the Holders' names, their registered offices or places of residence and the number of voting rights represented by each Holder. Such register shall be signed by the Chairperson of the meeting and be made available without undue delay to all Holders. The Holders' meeting shall have a quorum if the persons present represent at least fifty per cent of the outstanding Notes by value. If the Holders' meeting does not have a quorum, the Chairperson may convene a second meeting for the purposes of passing the resolution (s) anew. Such second meeting requires no quorum. For resolutions which require a qualified majority the persons present must represent at least 25 *per cent.* of the outstanding Notes. Notes for which voting rights have been suspended shall not be included in the outstanding Notes.

(8) *Majority Requirements.* Resolutions relating to material amendments of these Terms and Conditions, in particular consents to the measures set out in § 12 (2) lit (a) to (i) above shall be passed by a majority of not less than 75 per cent. (Qualified Majority) of the votes cast. Resolutions relating to amendments of these Terms and Conditions which are not material require a simple majority of the votes cast.

(9) *Vote without a Meeting.* All votes will be taken exclusively by vote taken without a meeting. The vote shall be conducted by the scrutineer. The scrutineer shall be a notary appointed by the Issuer, or the Joint Representative of the Holders if it has requested such vote. The request for voting shall set out the period within which votes may be cast. Such period shall be at least 72 hours. During the voting period, the Holders may cast their votes to the scrutineer in text form. The request shall set out in detail the conditions to be met in order for the votes to be valid. The scrutineer shall ascertain the entitlement to cast a vote by means of the evidence provided and shall prepare a list of Holders entitled to vote. If it is ascertained that no quorum exists, the scrutineer may convene a Holders' meeting, which shall be deemed to be a second Holders' meeting within the meaning of §12 (7). Any resolution passed by the vote shall be recorded in the minutes by a notary. Each Holder participating in the vote may request within one year of the end of the voting period

a copy of the minutes and its annexes from the Issuer. Each Holder participating in the vote may object to the result in writing within two weeks of publication of the resolutions. The scrutineer shall decide on any such objection. If it takes remedial action as a result of the objection, it shall publish the result without undue delay. § 12 (13) shall apply *mutatis mutandis*. If the scrutineer does not take remedial action as a result of the objection, it shall notify the objecting Holder without undue delay in writing.

(10) *Voting Right*. Each Holder shall participate in votes in accordance with the principal amount of the outstanding Notes held by such Holder. Voting rights are suspended with respect to the shares attributable to the Issuer or any of its Subsidiaries or held for the account of the Issuer or any of its Subsidiaries. The Issuer may not make available Notes for which the voting rights have been suspended to any third party for the purposes of exercising the voting rights in lieu of the Issuer. This shall also apply to any Subsidiaries of the Issuer. Exercise of voting rights for the purposes specified above is prohibited. It is prohibited to offer, promise or grant any advantage as consideration to any person entitled to vote not to vote, or to vote in a particular way, in a Holders' meeting or a vote. No person entitled to vote may require, accept any promise of or accept any advantage or consideration for not voting, or voting in a particular way, in a Holders' meeting or a vote.

(11) *Chair of the Vote*. The vote will be chaired by a notary appointed by the Issuer or, if the Joint Representative has convened the vote, by the Joint Representative (the "**Chairperson**").

(12) *Voting, Minutes*. The provisions of the Austrian Stock Corporation Act (*Aktiengesetz*) regarding the voting of shareholders in the general meeting shall apply *mutatis mutandis* to the casting and counting of votes. In order to be valid, any resolution passed by the Holders' meeting shall be recorded in minutes of the meeting. The minutes shall be recorded by a notary.

(13) *Publication of Resolutions*. The Issuer shall publish the resolutions passed by the Holders in appropriate form and at its own expense. The resolutions shall be published without undue delay pursuant § 11. In addition, for a period of at least one month commencing on the calendar day following the Holders' meeting, the Issuer shall make available to the public on its website ("[www .erstegroup.com](http://www.erstegroup.com)") the resolutions passed by the Holders and, if these Terms and Conditions are amended by a Holders' resolution, the wording of the original Terms and Conditions.

(14) *Implementation of Resolutions*. Resolutions passed by the Holders' meeting which amend or supplement the contents of these Terms and Conditions shall be implemented in such a way that the relevant Global Note is supplemented or amended. If the Global Note has been deposited with a central securities depository, the Chairperson of the meeting or the scrutineer shall forward for this purpose the contents of the resolution recorded in the minutes to the central securities depository, requesting it to add the documents submitted to the existing documents in appropriate form. It shall affirm to the central securities depository that the resolution may be implemented.

(15) *Joint Representative*.

The Holders may by majority resolution appoint a joint representative (the "**Joint Representative**") to exercise the Holders' rights on behalf of each Holder.

The Joint Representative shall have the duties and powers granted by majority resolution of the Holders. The Joint Representative shall comply with the instructions of the Holders. To the extent that the Joint Representative has been authorised to assert certain rights of the Holders, the Holders shall not be entitled to assert such rights themselves, unless explicitly provided for in the relevant majority resolution. The Joint Representative shall provide reports to the Holders on its activities. The Joint Representative shall be liable to the Holders as joint and several creditors for the due performance of its duties. In the performance of its duties, it shall act with the care of a prudent representative. The Joint Representative's liability may be limited by resolution of the Holders. An assertion of compensation claims against the Joint Representative shall be decided by the Holders. The Joint Representative may be removed by the Holders at any time without reason. The Joint Representative may require the Issuer to provide any information that is necessary for the performance of its duties.

§ 13 APPLICABLE LAW, PLACE OF JURISDICTION AND ENFORCEMENT

(1) *Applicable Law*. The Notes and any non-contractual obligations arising out of or in connection with the Notes are governed by, and shall be construed in accordance with, Austrian law except for its conflict of law rules as far as such rules would lead to the application of foreign law.

(2) *Place of Jurisdiction*. The competent Austrian courts shall have exclusive jurisdiction to settle any

disputes that may arise out of or in connection with any Notes (including any legal action or proceedings relating to any non-contractual obligations arising out of or in connection with Notes), to the extent permissible according to applicable mandatory consumer protection legislation.

(3) *Enforcement.* Any Holder of Notes may in any proceedings against the Issuer, or to which such Holder and the Issuer are parties, protect and enforce in its own name its rights arising under such Notes on the basis of (i) a statement issued by the Custodian with whom such Holder maintains a securities account in respect of the Notes (a) stating the full name and address of the Holder, (b) specifying the aggregate principal amount of the Notes credited to such securities account on the date of such statement and (c) confirming that the Custodian has given written notice to the Clearing System containing the information pursuant to (a) and (b), and (ii) a copy of the Global Note certified as being a true copy by a duly authorised officer of the Clearing System or a depositary of the Clearing System, without the need for production in such proceedings of the actual records or the Global Note representing the Notes. Each Holder may, without prejudice to the foregoing, protect and enforce its rights under the Notes also in any other way which is admitted in the country of the proceedings.

§ 14 LANGUAGE

These Terms and Conditions are written in the English language and provided with a German language translation. The English text shall be binding and prevailing. The German language translation shall be non-binding.

(ii) the Notes, to the extent that, pursuant to Article 64 CRR (as defined below), a portion thereof does no longer qualify as a Tier 2 item but, pursuant to Article 72a(1)(b) CRR, as an eligible liabilities item, that portion does no longer comply with the minimum requirements for own funds and eligible liabilities (MREL) (the "**MREL Requirement**") which are or, as the case may be, will be, applicable to the Issuer and/or the Issuer's MREL Group in accordance with (A) Article 45 of the BRRD, as amended, and any applicable national law, as amended, implementing the BRRD; or (B) Article 12 of the Regulation (EU) No. 806/2014 of the European Parliament and of the Council of 15 July 2014, as amended.

Meeting of Holders, Modifications and Waiver

Holders may agree with the Issuer on amendments of the terms and conditions of the Notes with regard to specified matters by resolution with the specified majority. Majority resolutions of the Holders shall be binding on all Holders alike. A majority resolution of the Holders which does not provide for identical conditions for all Holders is void, unless Holders who are disadvantaged have expressly consented to their being treated disadvantageously.

The Holders may by majority resolution appoint a joint representative (the "**Joint Representative**") to exercise the Holders' rights on behalf of each Holder. The duties, rights and functions of the Joint Representative are determined by the terms and conditions of the Notes

Non-Payment and Insolvency

In case of non-payment or insolvency each Holder shall be entitled to inform the Austrian Financial Market Authority of the occurrence of such event and propose that the Austrian Financial Market Authority applies to the competent court in Vienna for the commencement of bankruptcy proceedings against the assets of the Issuer. The Notes shall qualify as Tier 2 Instruments and constitute direct, unsecured and subordinated obligations of the Issuer. Restrictions on transferability

The Notes are freely transferable in accordance with applicable law and the applicable rules of the relevant clearing system.

Where will the Notes be traded?

Application for admission to trading on a regulated market or for trading on an MTF

Application will be made for the Notes to be admitted to the Official Market (Amtlicher Handel) of the Vienna Stock Exchange (Wiener Börse) and included in the open market of the Stuttgart Stock Exchange (Baden-Württembergische Wertpapierbörse).

What are the key risks that are specific to the Notes?

Risikofaktoren in Bezug auf die Verzinsungsstruktur der Schuldverschreibungen

- The Notes bear interest at a rate that converts from a fixed rate to a floating rate. A Holder bears the risk that after such conversion, the new interest rate may be lower than the then prevailing interest rates or the spread on the Notes may be less favourable than the then prevailing spreads on comparable floating rate notes relating to the same reference rate(s).
- The interest of the Notes will be calculated by reference to one or several specific benchmark indices which may or have become the subject of regulatory measures that could have a material adverse effect on the market price of and return on any Notes linked to a Benchmark.

Risk factor relating to certain provisions of the Terms and Conditions of the Notes

- In the event that the Notes are redeemed prior to their maturity, a Holder of the Notes may be exposed to the risk that his investment will have a lower than expected yield

Risk factors relating to Subordinated Notes

- The Notes may be subject to write-down or conversion to equity upon the occurrence of a certain trigger event, which may result in Holders losing some or all of their investment in the Notes (statutory loss absorption).
- Obligations under the Notes will only be fulfilled after all non-subordinated claims of creditors have been satisfied.
- The Notes may be redeemed by the Issuer prior to maturity for regulatory or tax reasons. Any rights of the Issuer to early redeem or repurchase the Notes are subject to the prior permission of the Competent Authority and/or the Resolution Authority.

Risk factors relating to tax and legal matters

- The Notes are governed by Austrian law, and changes in applicable laws, regulations or regulatory policies may have an adverse effect on the Issuer, the Notes and the Holders.
- Changes in tax law may negatively affect the Holders.

Risk factors relating to the pricing of, costs associated with, market in and settlement of the Notes

- Holders are exposed to the risk of partial or total inability of the Issuer to make interest and/or redemption payments under the Notes.
- Holders are exposed to the risk of an unfavourable development of market prices of their Notes which materialises if the Holder sells the Notes prior to the final maturity of the Notes.
- A liquid secondary market for the Notes may not develop or, if it does develop, it may not continue. In an illiquid market, a Holder may not be able to sell his Notes at fair market prices.

4th Section – Key information on the offer of Notes to the public and/or the admission to trading on a regulated market

Under which conditions and timetable can I invest in these Notes?

General terms, conditions and expected timetable of the offer

Not applicable; there are no conditions to which the offer is subject.

The Notes will be offered permanently (*Daueremissionen*, "tap issue").

The Notes will be offered in Austria, Romania, Slovakia, Germany (the "Offer State(s)").

The issue date is 19.06.2020.

The Notes will be offered by the Issuer for subscription at the issue price by means of a public offering from 22.05.2020 respectively in the period from 25.05.2020 (the "Start of Subscription Period") until the end of the term of the Notes or until the closing of the tap issue or until the exercise of a call option.

If the aggregate principal amount for the Notes indicated in the Final Terms has been reached prior to the end of the

subscription period or offer period at any time on a business day, the Issuer will terminate the subscription period or offer period for the Notes at the relevant time on that business day without prior notice. If the Issuer has not received sufficient valid subscription applications for the Notes until the first value date of the tap issue, the Issuer reserves the right to cancel the tap issue of the Notes. The Issuer is not obliged to issue subscribed Notes.

Estimated expenses charged to the investor

The Issuer will charge to the subscriber or purchaser costs of up to 3.00 per cent of the initial issue price at the issue date.

Why is the Prospectus being produced?

Use and estimated net amount of the proceeds

The issue of the Notes is part of the ordinary business activity of the Issuer and is undertaken solely for its general funding purposes and for making profit. The net proceeds from the issue of the Notes will further be used by the Issuer to strengthen its capital base and to optimise the composition of its own funds.

Date of the underwriting agreement

There is no firm underwriting in relation to the Notes offered.

Indication of the most material conflicts of interest pertaining to the offer or the admission to trading

The Issuer may from time to time act in other capacities with regard to the Notes, such as calculation agent, which allows the Issuer to make calculations in respect of the Notes (e.g. the amount of interest to be paid) which are binding for the Holders. This fact could generate conflicts of interest and may affect the market price of the Notes.

The Issuer acts as market maker for the Notes. In the context of such market making activities, the Issuer will substantially determine the market price of the Notes. The market prices provided by the Issuer in its capacity as market maker will not always correspond to the market prices that would have formed in the absence of such market making and in a liquid market.

The Issuer may use all or some of the proceeds received from the sale of the Notes to enter into hedging transactions which may decrease or increase the market price of the Notes. These hedging transactions and structuring costs might cause a depreciation of the initial value received by the Holders.

Employees of financial institutions such as Erste Group might undertake deals on their own behalf subject to securities laws on personal transactions and market abuse as well as statutory or internal compliance standards.

Erste Group's sales employees may be motivated to sell the Notes, due to the value of incentives received by them (in case the sale is successful) subject to securities and banking laws applicable to any such incentives.

Furthermore, employees might be permitted to take part in securities offerings of Erste Group. When purchasing the Notes, the employee might receive a discount from the value of the market price.
