Georg Schramm (37) took over management of the Erste Bank's Key Accounts Department on 1 October 2010. The professed goal of the Erste Bank is to strengthen and develop the corporate customer area. Vienna-born Schramm's previous position was the head of the Corporate Finance Department at Investkredit Bank AG. He began his career in 1998 as a corporate customer advisor at the Creditanstalt. It was not until later that, during a sabbatical, the economist decided to successfully complete his business education studies at the Vienna University of Economics and Business. The family man first worked at the Erste Bank between 2004 and 2006 as a specialist in HR- and structural development. Between 2000 and 2004, he was a major customer commercial advisor at Raiffeisen Zentralbank.

One in four companies in Austria is a customer of Erste Bank und Sparkassen, making the banking group one of the leading corporate customer banks. It is the professed goal of Erste Bank to invest more strength in the corporate area, and gain the best staff to do this.
