Additional information (for all or some of the following clauses)	
<p>(1) Deposit Guarantee Scheme responsible for the protection of your deposit:</p> <p>Your deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency should occur, your deposits will be repaid up to EUR 100 000.</p>	

(2) General limit of protection:

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum of EUR 100 000 per credit institution. This means that all deposits at the same credit institution are added up, in order to determine the coverage level. If, for instance, a depositor holds a savings account with EUR 90 000 and a current account with EUR 20 000, he or she will only be repaid EUR 100 000.

If accounts are maintained in a currency other than Euro, the mid exchange rate of the day on which the protection comes into effect will be used for the calculation of the refundable amount.

(3) Limit of protection for joint accounts:

In case of joint accounts, the limit of EUR 100 000 applies to each depositor.
