§ 2

STATUS

(1) *Ranking.* The Notes constitute direct, unsecured and subordinated obligations of the Issuer and constitute AT 1 Instruments (as defined below).

In the insolvency or liquidation of the Issuer, the obligations of the Issuer under the Notes will rank:

- (i) junior to all present or future (a) unsubordinated instruments or obligations of the Issuer; and (b) (x) obligations under any Tier 2 Instruments (as defined below); and (y) all other instruments or obligations of the Issuer ranking or expressed to rank subordinated to the unsubordinated obligations of the Issuer (other than instruments or obligations ranking or expressed to rank *pari passu* with or subordinated to the Notes);
- (ii) *pari passu* (a) among themselves; and (b) with all other present or future instruments or obligations ranking or expressed to rank *pari passu* with the Notes; and
- (iii) senior to all present or future (a) ordinary shares of the Issuer and any other CET 1 Instruments (as defined below); and (b) all other subordinated instruments or obligations of the Issuer ranking or expressed to rank (x) subordinated to the obligations of the Issuer under the Notes or (y) *pari passu* with the ordinary shares of the Issuer and any other CET 1 Instruments.

For the avoidance of doubt, Holders will not participate in any reserves of the Issuer in the event of its liquidation.

The rights of the Holders of the Notes to payment of principal on the Notes are at any time limited to a claim for the prevailing Current Principal Amount (as defined in § 5 (8)(c)).

(2) *No Negative Equity and Waiver of Petition.* The Holders will be entitled to payments, if any, under the Notes only once any negative equity (*negatives Eigenkapital* within the meaning of § 225(1) of the Austrian Commercial Code (*Unternehmensgesetzbuch – UGB*)) has been removed (*beseitigt*) or if, in the event of the liquidation of the Issuer, all other creditors (other than creditors the claims of which rank or are expressed to rank *pari passu* or junior to the Notes) of the Issuer have been satisfied first.

No insolvency proceedings against the Issuer are required to be opened in relation to the obligations of the Issuer under the Notes. The Notes do not contribute to a determination that the liabilities of the Issuer exceeds its assets; therefore the obligations of the Issuer under the Notes, if any, will not contribute to the determination of over-indebtedness (*Überschuldung*) in accordance with § 67(3) of the Austrian Insolvency Code (*Insolvenzordnung – IO*).

(3) *No Set-off or Security.* Claims of the Issuer are not permitted to be set-off against repayment obligations of the Issuer under these Notes, and no contractual collateral may be provided by the Issuer or any third person for the liabilities constituted by the Notes. The Notes are neither secured nor subject to a guarantee that enhances the seniority of the claims under the Notes. The Notes are not subject to any arrangement, contractual or otherwise, that enhances the seniority of the claims under the Notes in insolvency or liquidation. No subsequent agreement may limit the subordination pursuant to this § 2 or amend the perpetuity of the Notes.

(4) *Definitions.* In these Terms and Conditions:

"**AT 1 Instruments**" means any (directly or indirectly issued) capital instruments of the Issuer that qualify as Additional Tier 1 instruments pursuant to Article 52 of the CRR, including any capital instruments that qualify as Additional Tier 1 instruments pursuant to transitional provisions under the CRR.

§ 3 DISTRIBUTIONS

(1) *Distribution Rates and Distribution Payment Dates.* The Notes shall bear distributions on the Current Principal Amount (as defined below) at the rate of 7.80 *per cent. per annum* (the "**First Rate of Distributions**") from and including 14 December 2016 (the "**Distribution Commencement Date**") to but excluding 14 March 2022 (the "**First Reset Date**") and thereafter at the relevant Reset Rate of Distributions (as determined according to § 3 (4)) from and including each Reset Date to but excluding the next following Reset Date. With the exception of the first payment of Distribution, Distributions shall be scheduled to be paid annually in arrear on 14 March in each year (each such date, a "**Distribution Payment Date**"), commencing on 14 March 2018 (first long Distribution Period).

Distributions will fall due subject to the provisions set out in § 4 (4) and § 5 (8).

(2) *Calculation of Amount of Distributions.* If the amount of distributions scheduled to be paid under the Notes is required to be calculated for any period of time such amount of distributions for any Distribution Period shall be calculated by the Calculation Agent by applying the First Rate of Distributions to the Current Principal Amount and if the amount of distributions payable under the Notes is required to be calculated for any Distribution Period falling in any Reset Period, such amount of distributions shall be calculated by the Calculation Agent by applying the applicable Reset Rate of Distributions to the Current Principal Amount, in each case multiplying such amount by the applicable Day Count Fraction (as defined below), and rounding the resultant figure to the nearest sub-unit of the Specified Currency, half of such sub-unit being rounded upwards or otherwise in accordance with the applicable market convention.

If a Write-down (as defined in § 5 (8)) occurs during any Distribution Period, unpaid distributions accrued on the Current Principal Amount to but excluding the Effective Date (as defined in § 5 (8)) are cancelled in accordance with § 3 (6)(c), the Notes shall bear distributions on the adjusted Current Principal Amount from and including the Effective Date.

If, pursuant to § 5 (9), the Current Principal Amount of the Notes is subject to a Write-up, during a Distribution Period, the amount of distributions shall be calculated by the Calculation Agent on the basis of the adjusted Current Principal Amount from time to time so that the relevant amount of distributions is determined by reference to such Current Principal Amount as adjusted from time to time and as if such Distribution Period were comprised of two or (as applicable) more consecutive distribution periods, with distribution calculations based on the number of days for which each Current Principal Amount was applicable.

"Distribution Period" means the period from and including the Distribution Commencement Date to but excluding the first Distribution Payment Date and each successive period from and including a Distribution Payment Date to but excluding the next succeeding Distribution Payment Date.

(3) *Day Count Fraction.* **"Day Count Fraction"** means, in respect of the calculation of an amount of distributions on any Note for any period of time (the **"Calculation Period"**):

the number of calendar days in the Calculation Period divided by 360, the number of calendar days to be calculated on the basis of a year of 360 calendar days with twelve 30-calendar day months (unless (1) the last calendar day of the Calculation Period is the 31st calendar day of a month but the first calendar day of the Calculation Period is a calendar day other than the 30th or 31st calendar day of a month, in which case the month that includes that last calendar day shall not be considered to be shortened to a 30-calendar day month; or (2) the last calendar day of the Calculation Period is the last calendar day of the month of February in which case the month of February shall not be considered to be lengthened to a 30-calendar day month).

(4) *Determination of the Reset Rate of Distributions.*

(a) *Reset Rate of Distributions.* The rate of distributions for each Reset Period (each a **"Reset Rate of Distributions"**) shall be the Reference Rate (as defined below) plus the Margin (as defined below).

"Reference Rate" in respect of each Reset Period means the annual swap rate (expressed as a percentage) for swap transactions in the Specified Currency with a term of five years which appears on the Screen Page (as defined below) as of 11:00 AM (Frankfurt time) on the relevant Reset Determination Date (as defined below), all as determined by the Calculation Agent (as specified in § 6 (1)).

If the Screen Page is unavailable or if the Reference Rate does not appear on the Screen Page as at such time on the relevant Reset Determination Date, the Calculation Agent shall request the principal office of each Reference Bank (as defined below) to provide the Calculation Agent with its mid-market swap rate quotation (expressed as a percentage rate) at approximately 11:00 AM Frankfurt time) on the relevant Reset Determination Date.

"Mid-market swap rate" means the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating interest rate swap transaction in the Specified Currency with a term of five years and in an amount that is representative of a single transaction in the relevant market at the relevant time with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is based on six month EURIBOR.

If three or more of the Reference Banks provide the Calculation Agent with such rates, the Reference Rate for the relevant Reset Period shall be deemed to be the arithmetic mean (rounded if necessary to the nearest one hundred-thousandth of a percentage point, with 0.000005 being rounded upwards) of such rates eliminating the highest rate (or, in the event of equality, one of the highest) and the lowest rate (or, in the event of equality, one of the lowest), all as determined by the Calculation Agent.

If the Reference Rate cannot be determined in accordance with the foregoing provisions of this definition of the term "Reference Rate", the Reference Rate for the relevant Reset Period shall be deemed to be the rate determined by the Calculation Agent in its reasonable discretion (the Calculation Agent shall take general market practice into account when determining such rate).

"Margin" means 7.604 *per cent. per annum*.

Where:

"Reference Banks" means five leading swap dealers in the interbank market.

"Reset Date" means the First Reset Date and each fifth anniversary thereof for as long as the Notes remain outstanding.

(b) *Notification of Reset Rate of Distributions.* The Calculation Agent will cause the Reset Rate of Distributions to be notified to the Issuer and to the Holders in accordance with § 10 as soon as possible after its determination.

(c) *Determinations Binding.* All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this § 3 by the Calculation Agent shall (in the absence of wilful default, bad faith, inequitableness or manifest error) be binding on the Issuer, the Fiscal Agent, the Paying Agents and the Holders and, in the absence of the aforesaid, no liability to the Issuer, the Fiscal Agent, the Paying Agents or the Holders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(5) *Default Distributions.* The Notes shall cease to bear distributions from the expiry of the calendar day preceding the due date for redemption (if the Notes are redeemed). If the Issuer fails to redeem the Notes when due, distributions shall continue to accrue on the Current Principal Amount of the Notes from and including the due date for redemption to but excluding the date of actual redemption of the Notes at the default rate of distributions established by law. This does not affect any additional rights that might be available to the Holders.

(6) *Cancellation of Distributions.*

(a) The Issuer, at its full discretion, may, at all times cancel, in whole or in part, any payment of distributions on the Notes scheduled to be paid on any Distribution Payment Date for an unlimited period and on a non-cumulative basis. The Issuer may use such cancelled payments without

restrictions to meet its obligations as they fall due. If the Issuer makes use of such right, it shall give notice to the Holders without undue delay and in any event no later than on the Distribution Payment Date.

(b) Without prejudice to such full discretion of the Issuer, any payment of distributions on the Notes scheduled to be paid on any Distribution Payment Date shall be cancelled, in whole or in part, if and to the extent:

- (i) the distribution payment scheduled to be paid together with any Additional Amounts thereon and any further Relevant Distributions would exceed the available Distributable Items, provided that, for such purpose, the available Distributable Items shall be increased by an amount equal to what has been accounted for as expenses for payments of interest, dividends or distributions on Tier 1 Instruments (including payments of distributions together with any Additional Amounts thereon on the Notes) in the calculation of the profit (*Gewinn*) on which the available Distributable Items are based; or
- (ii) the Competent Authority orders the relevant distribution payment scheduled to be paid to be cancelled in whole or in part; or
- (iii) on the relevant Distribution Payment Date such distribution payment aggregated with any other distributions of the kind referred to in § 24(2) of the Austrian Banking Act (implementing Article 141(2) of the CRD IV in Austria) would not be in compliance with the restrictions relating to the Maximum Distributable Amount.

(c) If a Write-down (as defined in § 5 (8)) occurs during any Distribution Period, unpaid distributions accrued on the Current Principal Amount to but excluding the Effective Date (as defined in § 5 (8)) will be cancelled mandatorily and automatically in full.

(d) Any distribution payment so cancelled will be non-cumulative and will be cancelled definitively and no payments will be made nor will any Holder be entitled to receive any payment or indemnity in respect thereof. Any such cancellation of distributions will not constitute an event of default of the Issuer and will not impose any restrictions on the Issuer.

A **"Tax Deductibility Event"** occurs if there is a change in the applicable tax treatment of the Notes as a result of which the Issuer, in computing its taxation liabilities in Austria, would not be entitled to claim a deduction in respect of distributions paid on the Notes, or such deductibility is materially reduced.

(6) *Conditions to Redemption and Repurchase.* Any redemption pursuant to this § 5 and any repurchase pursuant to § 9 (2) is subject to the Competent Authority having granted the Issuer the prior permission in accordance with Article 78 of the CRR, whereas such permission may, *inter alia*, require that:

- (i) either (x) the Issuer replaces the Notes with own funds instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or (x) the Issuer has demonstrated to the satisfaction of the Competent Authority that the own funds of the Issuer would, following such redemption or repurchase, exceed the minimum requirements laid down in Article 92(1) of the CRR (and any capital buffer requirements) by a margin that the Competent Authority considers necessary at such time; and
- (ii) in the case of any redemption or repurchase prior to the fifth anniversary of the date of issuance of the Notes:
 - (x) due to a Tax Event, the Issuer has demonstrated to the satisfaction of the Competent Authority that the applicable change in tax treatment is material and was not reasonably foreseeable as at the date of issuance of the Notes; and
 - (y) due to a Regulatory Event, the Competent Authority considers such change to be sufficiently certain and the Issuer has demonstrated to the satisfaction of the Competent Authority that the relevant change in the regulatory classification of the Notes was not reasonably foreseeable as at the date of issuance of the Notes.

For the avoidance of doubt, any refusal of the Competent Authority to grant permission in accordance with Article 78 of the CRR shall not constitute a default for any purpose.

(7) *Redemption Notice; Redemption Amount.* Any notice of redemption in accordance with § 5 (3), § 5 (4) or § 5 (5) shall be given by the Issuer to the Holders in accordance with § 10 observing a notice period of not less than 30 Business Days and nor more than 60 Business Days. - (iv) the Issuer will (without the need for the consent of Holders) reduce the Current Principal Amount of each Note by the relevant Write-down Amount (such reduction being referred to as a "**Write-down**") without undue delay, but not later than within one month, with effect as from the Effective Date; and
- (v) unpaid distributions accrued on the Current Principal Amount to but excluding the Effective Date will be cancelled in accordance with § 3 (6)(c).

For the avoidance of doubt, a Trigger Event may be determined at any time and may occur on more than one occasion, each Note may be subject to a Write-down on more than one occasion and the Current Principal Amount of a Note may never be reduced to below EUR 0.01.

(b) The Issuer shall not give a notice of redemption after a Write-Down Notice has been given until the Write-down has been effected in respect of the relevant Trigger Event.

In addition, if a Trigger Event occurs after a notice of redemption but before the date on which such redemption becomes effective, the notice of redemption shall automatically be deemed revoked and shall be null and void and the relevant redemption shall not be made.

"Minimum Trigger Level" means in respect of: (i) the Issuer CET 1 Capital Ratio: 7.00 *per cent.*; (ii) the Erste Group CET 1 Capital Ratio: 5.125 *per cent.*; and/or (iii) the Issuer's Group CET 1 Capital Ratio (if any): 7.00 *per cent.*

"Required Loss Absorption Amount" means the amount by which, upon the occurrence of a Trigger Event, a write-down of the aggregate Current Principal Amount of the Notes shall be effected *pro rata* with the aggregate (current) principal amount of any other AT 1 Instruments the trigger events for a write-down or conversion (loss absorption) of which pursuant to their terms have occurred and whose minimum trigger levels have not been restored, irrespective of the opening of any insolvency proceedings. For such purpose, the total amount of the write-downs to be allocated *pro rata* shall be equal to the amount required to fully restore or maintain: (i) the Issuer CET 1 Capital Ratio; and/or (ii) the Erste Group CET 1 Capital Ratio; and/or (iii) the Issuer's Group CET 1 Capital Ratio (if any) to at least the Minimum Trigger Level, as applicable, but shall not exceed the sum of the principal amounts of AT 1 Instruments the trigger events for a write-down or conversion of which pursuant to their terms have occurred, the minimum trigger levels of which have not been restored and which are outstanding at the time of occurrence of the Trigger Event.

To the extent the write-down (or write-off) or conversion into Common Equity Tier 1 instruments of any other AT 1 Instrument whose trigger events for a write-down or conversion pursuant to their terms have occurred is not, or within one month from the determination that the relevant trigger event has occurred will not be, effective for any reason:

- (i) the ineffectiveness of any such write-down (or write-off) or conversion into Common Equity Tier 1 instruments shall not prejudice the requirement to effect a Write-down of the Notes (loss absorption); and
- (ii) the write-down (or write-off) or conversion into Common Equity Tier 1 instruments of any other AT 1 Instrument whose trigger events for a write-down or conversion pursuant to their terms have occurred which is not, or within one month from the determination that the relevant Trigger Event has occurred will not be, effective shall not be taken into account in determining such Write-down of the Notes.

Where:

A **"Trigger Event"** occurs if it has been determined that: (i) the Issuer CET 1 Capital Ratio; and/or (ii) the Erste Group CET 1 Capital Ratio; and/or (iii) the Issuer's Group CET 1 Capital Ratio (if any) fall to an amount that is lower than the applicable Minimum Trigger Level.

"Write-down Amount" per Note means the amount by which the Current Principal Amount per Note is to be written-down on an Effective Date, being the higher of: (i) the *pro rata* share of the Note in the Required Loss Absorption Amount; and (ii) if the amount in (i) is insufficient to fully restore or maintain the Issuer CET 1 Capital Ratio; and/or the Group CET 1 Capital Ratio to the Minimum Trigger Level, the amount necessary to reduce the Current Principal Amount to EUR 0.01 or lower amount.

(d) Any reduction of the Current Principal Amount of a Note pursuant to this § 5(8) shall not constitute a default by the Issuer for any purpose, and the Holders shall have no right to claim for amounts written-down, whether in the insolvency or liquidation of the Issuer or otherwise, save to the extent (if any) such amounts are subject to a Write-up in accordance with § 5 (9).

(9) *Write-up.* The Issuer may, at its sole discretion, effect a reversal of a Write-down by writing up the Current Principal Amount in whole or in part up to a maximum of the Original Principal Amount (a **"Write-up"**), provided that a positive Profit has been recorded, and subject to the below limitations. There will be no obligation for the Issuer to operate or accelerate a Write-up under any specific circumstances.

If the Issuer so decides in its sole discretion, the Write-up will occur with effect as of the Write-Up Date (as defined below) (including).

At its discretion (without being obliged to) the Issuer may effect such Write-up provided that:

- (i) at the time of the Write-up, there must not exist any Trigger Event that is continuing; any Write-up is also excluded if such Write-up would give rise to the occurrence of a Trigger Event;
- (ii) such Write-up is applied on a *pro rata* basis to all Notes and among Loss Absorbing Written-down Instruments; and
- (iii) the sum of (x) the aggregate amount attributed to the relevant Write-up of the Notes and the aggregate increase in principal amount of Loss Absorbing Written-down Instruments resulting from any previous write-up since the end of the then previous financial year; and (y) the aggregate amount of any distribution and any Additional Amounts thereon paid on the aggregate Current Principal Amount of the Notes and the aggregate amount of any distribution and any additional amounts thereon paid on Loss Absorbing Written-down Instruments as calculated at the moment the Write-up is operated will not exceed the Maximum Write-up Amount at any time after the end of the then previous financial year.

The amount of any Write-up and payments of distributions on the reduced Current Principal Amount shall be treated as payment resulting in a reduction of Common Equity Tier 1 pursuant to Article 28 of the CRR and shall be subject, together with other distributions on CET 1 Instruments, to the restrictions relating to the Maximum Distributable Amount as referred to in § 24(2) of the Austrian Banking Act (implementing Article 141(2) of the CRD IV in Austria).

For the avoidance of doubt, a Write-up of the Notes may occur on one or more occasions until the Current Principal Amount equals the Original Principal Amount. Write-ups do not have priority over dividend payments and other distributions on shares and other CET 1 Instruments of the Issuer, i.e. such payments and distributions are permitted even if no full Write-up of the Notes has been effected.

If the Issuer elects to effect a Write-up, it will publish a notice about the Write-up (including the amount of the Write-up as a percentage of the Original Principal Amount and the effective date of the Write-up (in each case a "**Write-up Date**")) no later than 10 calendar days prior to the relevant Write-up Date to the Fiscal Agent and, in accordance with § 10, to the Holders. The Write-up shall be deemed to be effected at the time when the notice to the Holders is given in accordance with § 10 and the Current Principal Amount shall be deemed to be increased by the amount specified in the notice with effect as of the Write-up Date.

Where:

"Maximum Write-up Amount" means the lower of:

- (i) the consolidated Profit multiplied by the sum of the aggregate Original Principal Amount of the Notes and the aggregate initial principal amount of all Loss Absorbing Written-down Instruments of the Erste Group (for the avoidance of doubt, before any write-down), and divided by the total Tier 1 Capital pursuant to Article 25 of the CRR of the Erste Group as at the date the relevant Write-Up is operated; and
- (ii) the Profit on an unconsolidated basis multiplied by the sum of the aggregate Original Principal Amount of the Notes and the aggregate initial principal amount of all Loss Absorbing Written-down Instruments of the Issuer (for the avoidance of doubt, before any write-down), and divided by the total Tier 1 Capital pursuant to Article 25 of the CRR of the Issuer as at the date the relevant Write-Up is operated;

or any higher or lower amount permitted to be used under the Applicable Supervisory Regulations in effect on the date of the relevant Write-up.

"Loss Absorbing Written-down Instrument" means any (directly or indirectly issued) Additional Tier 1 instrument pursuant to Article 52 of the CRR (other than the Notes) of the Issuer or, as applicable, any instrument issued by a member of the Erste Group and/or the Issuer's Group (if any) and qualifying as Additional Tier 1 instruments pursuant to Article 52 of the CRR of: (i) the Issuer; and/or (ii) the Erste Group; and/or (iii) the Issuer's Group (if any), that has had all or some of its principal amount written-down on a temporary basis, and that has terms permitting a principal write-up to occur on a basis similar to that provided herein in the circumstances existing on the date of the Write-up of the Notes.

"Profit" means: (i) the net income for the year (*Jahresüberschuss*) of the Issuer on an unconsolidated basis recorded in the Relevant Financial Statements; or (ii) the consolidated net income for the year (*Jahresüberschuss*) on a consolidated basis recorded in the consolidated financial statements of the Erste Group; or (iii) the consolidated net income for the year on a consolidated basis recorded in the consolidated financial statements of the Issuer's Group (if any), in each case after such Relevant Financial Statements or consolidated financial statements have formally been determined (*festgestellt*) by either the supervisory board (*Aufsichtsrat*) or, if so requested, the shareholders' meeting (*Hauptversammlung*) of the Issuer respectively the Erste Group Bank AG.

The Agents reserve the right at any time to change their respective specified office to some other specified office in the same city.

(2) *Variation or Termination of Appointment.* The Issuer reserves the right at any time to vary or terminate the appointment of the Agents and to appoint another Agent. § 7 TAXATION

All payments of distributions by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the Republic of Austria or by any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

In that event, and subject to , the Issuer shall pay such additional amounts (the "**Additional Amounts**") to the Holder as shall result in receipt by that Holder of such amounts as would have been

received by it had no such withholding or deduction been required, provided however that any such Additional Amounts are only payable if and to the extent they: (i) would not exceed the Distributable Items; and (ii) only relate to withholding tax applicable to distributions by or on behalf of the Issuer. No such Additional Amounts shall be payable with respect to any Note:

- (a) to, or to a third party on behalf of, a Holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of its having some connection with the Republic of Austria other than the mere holding of the Note; or
- (b) presented for payment more than 30 calendar days after the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven calendar days after that on which notice is duly given to the Holders in accordance with § 10 that, upon further presentation of the Notes being made, such payment will be made, provided that payment is in fact made upon such presentation, except to the extent that the Holder would have been entitled to such Additional Amounts on presenting the Note for payment on the thirtieth such calendar day; or
- (c) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings or any law implementing or complying with, or introduced in order to conform to, such Directive; or

§ 8 PRESCRIPTION

Claims against the Issuer for payment in respect of the Notes shall be prescribed and become void unless made within thirty years (in the case of principal) and three years (in the case of distribution) upon the relevant due date.

§ 9 FURTHER ISSUES OF NOTES, REPURCHASES AND CANCELLATION

(1) *Further Issues of Notes.* The Issuer may from time to time, without the consent of the Holders, issue further Notes having the same terms as the Notes in all respects (or in all respects except for the issue date, issue price, Distribution Commencement Date and/or first Distribution Payment Date) so as to form a single series with the Notes.

(2) *Repurchases.* The Issuer may at any time repurchase Notes in the open market or otherwise at any price. Notes repurchased by the Issuer may, at the option of the Issuer, be held, resold or surrendered to the Fiscal Agent for cancellation. No repurchase shall be possible unless all applicable regulatory and other statutory restrictions are observed and provided that the conditions to redemption and repurchase laid down in § 5 (6) are met.

(3) *Cancellation.* All Notes redeemed in full shall be cancelled forthwith and may not be reissued or resold.

§ 10 NOTICES

(1) *Notices of the Issuer.* All notices of the Issuer concerning the Notes may be published in electronic form on the website of the Issuer (www.sbausparkasse.at). Any notice so given will be deemed to have been validly given on the fifth calendar day following the date of such publication (or, if published

more than once, on the fifth calendar day following the date of the first such publication) unless the notice provides for a later effective date. Legally material notices shall be given to the Holders via the respective institutions which maintain the Holders' security accounts.

(2) *Publication of Notices of the Issuer via the Clearing System.* If the publication of notices pursuant to paragraph (1) is no longer required by law, the Issuer may, in lieu of publication in the media set forth in paragraph (1), deliver the relevant notices to the Clearing System, for communication by the Clearing System to the Holders. Any such notice shall be deemed to have been given to the Holders on the seventh calendar day after the calendar day on which said notice was given to the Clearing System.

(3) *Form of Notice to Be Given by any Holder.* Notices regarding the Notes which are to be given by any Holder to the Issuer shall be validly given if delivered in writing in the German or English language to the Issuer or the Fiscal Agent (for onward delivery to the Issuer) and by hand or mail. The Holder shall provide evidence satisfactory to the Issuer of its holding of the Notes. Such evidence may be: (i) in the form of a certification from the Clearing System or the Custodian with which the Holder maintains a securities account in respect of the Notes that such Holder is, at the time such notice is given, the Holder of the relevant Notes; or (ii) in any other appropriate manner.

"**Custodian**" means any bank or other financial institution of recognised standing authorised to engage in securities custody business with which the Holder maintains a securities account in respect of the Notes and includes the Clearing System.

(1) *Applicable Law.* The Notes and any non-contractual obligations arising out of or in connection with the Notes are governed by, and shall be construed in accordance with, Austrian law, excluding its conflict of law rules.

(2) *Place of Jurisdiction.* The competent Austrian courts shall have exclusive jurisdiction to settle any disputes that may arise out of or in connection with any Notes (including any legal action or proceedings relating to any non-contractual obligations arising out of or in connection with Notes), to the extent permissible according to applicable mandatory consumer protection legislation.

(3) *Enforcement.* Any Holder of Notes may in any legal proceedings (the "**Proceedings**") against the Issuer, or to which such Holder and the Issuer are parties, protect and enforce in its own name its rights arising under such Notes on the basis of: (i) a statement issued by the Custodian with whom such Holder maintains a securities account in respect of the Notes: (a) stating the full name and address of the Holder; (b) specifying the aggregate principal amount of the Notes credited to such securities account on the date of such statement; and (c) confirming that the Custodian has given written notice to the Clearing System containing the information pursuant to (a) and (b); and (ii) a copy of the Global Note certified as being a true copy by a duly authorised officer of the Clearing System or a depository of the Clearing System, without the need for production in such Proceedings of the actual records or the Global Note representing the Notes. Each Holder may, without prejudice to the foregoing, protect and enforce its rights under the Notes also in any other way which is admitted in the country of the Proceedings.

ANNEX 1

The Notes may be subject to write-down or conversion to equity upon the occurrence of a certain trigger event, which may result in Holders losing some or all of their investment in the Notes (statutory loss absorption).

On 12 June 2014, the BRRD was published. The BaSAG implementing BRRD in Austria entered into force on 1 January 2015. The stated aim of the BRRD is to provide relevant resolution authorities with common tools and powers to address banking crises pre-emptively in order to safeguard financial stability and minimise taxpayers' exposure to losses.

The powers provided to such resolution authorities include write-down and conversion powers which may be used prior to or on entry into resolution to ensure that, *inter alia*, relevant capital instruments fully absorb losses at the point of non-viability (defined below) of the issuing institution and/or the group. The relevant resolution authority may also apply the bail-in tool in resolution with the objective of restoring the capital of the failing institution to enable it to continue to operate as a going concern. Accordingly, resolution authorities will be required to order the write-down of such capital instruments on a permanent basis, or convert them into Common Equity Tier 1 items ("**CET 1**") (such as ordinary shares or other instruments of ownership), at the point of non-viability and before any resolution tool other than the bail-in tool is made use of (statutory loss absorption). Resolution authorities shall exercise the write-down or conversion in relation to statutory loss absorption in a way that results in: (i) CET 1 items being reduced first in proportion to the relevant losses; and (ii) thereafter, if CET 1 is not sufficient to cover the relevant losses, the principal amount of Additional Tier 1 instruments ("**AT 1**") (such as the Notes) being reduced or converted to cover the relevant losses and recapitalise the entity; and (iii) thereafter, if CET 1 and AT 1 are not sufficient, the principal amount of Tier 2 instruments ("**Tier 2**") being reduced or converted; and in case of a bail-in tool also: (iv) thereafter, if CET 1, AT 1 and Tier 2 are not sufficient to cover the relevant losses and recapitalise the entity, other subordinated debt (in accordance with the hierarchy of claims in the normal insolvency proceedings); and (v) if still insufficient, the rest of eligible liabilities including certain senior debt (in accordance with the hierarchy of claims in the normal insolvency proceedings) being reduced down to zero on a permanent basis or converted. When the bail-in tool is applied for the purpose of restoring the capital of the institution, write-down or conversion of non-equity instruments into CET 1 items is to be made in the same order.

For the purposes of statutory loss absorption, the point of non-viability is the point at which the following conditions are met:

1. the competent authority or the resolution authority determines that the institution is failing or likely to fail, i.e.:
 - (a) the conditions for the withdrawal of the authorisation by the competent authority are met or there are objective elements to support a determination that this will be the case in the near future, including but not limited to because the institution has incurred or is likely to incur losses that will deplete all or a significant amount of its own funds;
 - (b) the assets of the institution are or there are objective elements to support a determination that the assets of the institution will, in the near future, be less than its liabilities;
 - (c) the institution is or there are objective elements to support a determination that the institution will, in the near future, be unable to pay its debts or other liabilities as they fall due;
 - (d) extraordinary public financial support is required except when the extraordinary public financial support takes certain forms in order to remedy a serious disturbance in the economy of a Member State and preserve financial stability; and
2. having regard to timing and other relevant circumstances, there is no reasonable prospect that any alternative private sector measures, including measures by an institutional protection scheme, or supervisory action, including early intervention measures or the write-

down or conversion of relevant capital instruments taken in respect of the institution, would prevent the failure of the institution within a reasonable timeframe; and

3. in case of the application of the bail-in tool, a resolution action is necessary in the public interest; or
4. in case of exercising the power to write down or conversion of capital instruments, a group shall be deemed to be failing or likely to fail where the group infringes, or there are objective elements to support a determination that the group, in the near future, will infringe, its consolidated prudential requirements in a way that would justify action by the competent authority including but not limited to because the group has incurred or is likely to incur losses that will deplete all or a significant amount of its own funds.

Any write-down or conversion of all or part of the principal amount of any instrument, including accrued but unpaid interest in respect thereof, in accordance with the bail-in tool or the write-down and conversion powers would not constitute an event of default under the terms of the relevant instruments. Consequently, any amounts so written down or converted would be irrevocably lost and the holders of such instruments would cease to have any claims thereunder, regardless whether or not the institution's financial position is restored.

Hence, the Notes may be subject to write-down or conversion into CET 1 upon the occurrence of the relevant trigger event, which may result in Holders losing some or all of their investment in the Notes. The exercise of any such power is highly unpredictable and any suggestion or anticipation of such exercise could materially adversely affect the market price of the Notes.

Apart from potentially being subject to resolution tools and powers as set out above, the Issuer may also be subject to national insolvency proceedings.
