¹ **SEPA Transfer:** SEPA Credit Transfer is a transfer in EUR executed within Single Euro Payment Area (SEPA) in favour of a beneficiary from EU country or other European Economic Area member country and Switzerland, Monaco, Gibraltar, Guernsey, Isle of Man, Jersey and San Marino, the Principality of Andorra and the Vatican State / The Holy See in accordance with unified payment standards and rules. SEPA Credit Transfer can be effected only in case a beneficiary bank is SEPA compliant. It always contains IBAN of beneficiary account and payer / beneficiary is paying charges of his bank (charging option SHA).

² **SEPA Direct debit:** SEPA Direct debit is credit transfer in EUR executed within Single Euro Payment Area (SEPA), initiated by creditor of EU country or other European Economic Area member country and Switzerland, Monaco and San Marino, the Principality of Andorra and the Vatican State / The Holy See at bank of creditor based on SEPA Direct debit Mandate between creditor and debtor. All conditions including SEPA Direct debit scheme are set in the Mandate.

³ **FIT Payment:** Payment in EUR / SEPA Transfer to an account of Erste Bank Group member's client (list of supporting banks can be found at www.csas.cz).

⁴ **Disposals:**

OUR disposal – all bank expenses paid by payee

(The payee carries all expenses, i.e. expenses of Česká spořitelna, a.s. and all expenses of foreign banks, which are charged additionally.)

BEN disposal – all bank expenses paid by beneficiary

(All expenses, i.e. expenses of both Česká spořitelna, a.s. and foreign bank are carried by the beneficiary. The amount paid abroad is reduced by charges of Česká spořitelna, a.s. client. Minimum payment amount with BEN disposal is CZK 2,000.)

SHA disposal – expenses of foreign banks paid by beneficiary

(The payee carries the expenses of Česká spořitelna, a.s. and the beneficiary pays the expenses of foreign banks. With regard to the prices of foreign banks it should be noted that with payment orders for lower amounts the possible foreign bank's expenses may be charged even with the SHA disposal. Incoming payments may be lowered by possible fees of intermediary banks.)

Česká spořitelna, a.s. has the right to charge the additional fee paid by Česká spořitelna, a.s. to the beneficiary's bank due to the manual processing of payment with incorrect account number or missing IBAN-format of account number or BIC number.

⁵ **CID (Creditor Identifier):** Maximum 35 characters long code used as unique identifier of SEPA Direct debit creditor. CID for Czech Republic is 12 characters long and is assigned by Czech National Bank based on request of creditor bank.

⁶ **Cancellation** – free of charge in case of cancellation before due date.

If services, which are subject to VAT, are provided to persons registered for VAT in another member state or to foreigners liable to taxation, the tax liability (place of performance) lies outside the country and the fee therefore is not subject to VAT.

Letters of Credit issued by Česká spořitelna, a.s. and advised directly to the beneficiary	free of charge
courier service	at actual expense

¹ The price is payable upon issuance of the Letter of Credit and is calculated for the entire original validity period of the Letter of Credit (as possibly extended) and for the full original Letter-of-Credit amount (as possibly increased), regardless of its possible cancellation, utilisation prior to expiry, or amount decrease. The price is calculated out of the Letter of Credit amount including possible amount tolerance and/or additional amounts payable out of the Letter of Credit (e.g. interest, etc.).

² The price is calculated for the entire original validity period of the Letter of Credit (as possibly extended) and for the full original Letter-of-Credit amount (as possibly increased), regardless of its possible cancellation, utilisation prior to expiry, or amount decrease. The price is calculated out of the Letter-of-Credit amount (or amount of the transferred Letter of Credit in case of price of Transfer of a Letter of Credit) including possible amount tolerance and/or additional amounts payable out of the Letter of Credit (e.g. interest, etc.).

Note: For conversion operations in different currencies, a Buy Rate is used for calculations at the operation input and a Sell Rate is used at the operation output. If the price is indicated as a percentage, the converted amount is used for calculation.

Any operation where a transaction currency differs from an account currency is considered a conversion operation. Česká spořitelna, a.s. may grant a discount from the stated price in exceptional cases.

Compensation of actual own and third-party expenses (e.g. fees and charges of other banks and institutions) are charged in addition to prices stated in this List of Charges. Prices are charged to the account upon provision of the respective service, or may be deducted from the Letter of Credit proceeds.

Other prices charged for the Česká spořitelna, a.s. services are stated in another sections of the List of Charges.
