

Visa Assistance – a personal assistant

Virtually every day, something comes along that we can help you with. We are here to make it easier for you to arrange common and not-so-common affairs.

Among other things, we can **find useful contacts and compare offers in various price ranges for you** – all you need to do is tell us what you want. You make the choice and we make your request reality.

We will arrange contact details for the following services:

- Craftsmen, specialist physicians, lawyers, car service, cleaning or moving services, translators, guides, messengers, and so on
- Babysitting, language courses, or schools
- Engagement and wedding agencies
- Comparison of cars to buy.

Below are a few tips to help you make the most of the service. There is a lot we can do – just give us a try.

Do you like travelling?

- We will draft your holiday itinerary.
- We will book all means of transport, accommodation, and related services (restaurants, wellness, parking, golf, trips, admission to sights, etc).
- We will provide travel advice – road tolls, recommended vaccinations, mandatory car equipment abroad, and so on.

Do you want to treat yourself or your loved ones?

- We will obtain cinema, theatre, concert, or sports event tickets for you in the Czech Republic or abroad, including VIP seats.
- We provide delivery services for flowers, gifts, meals, beverages, gift baskets, and so on.
