If the Index is not calculated and published by the Index Sponsor anymore but by another person, corporation or institution, which the Calculation Agent considers suitable (the "**Successor Sponsor**"), the applicable Rate of Interest shall be calculated on the basis of the Index calculated and published by the Successor Sponsor. Any reference to Index Sponsor contained herein, shall, in this context, be deemed to refer to the Successor Sponsor.

If at any time the Index is cancelled and/or replaced by any other index, the Calculation Agent shall, in the reasonable discretion and acting in good faith and a commercially reasonable manner, determine the Index which the following calculation of the applicable Rate of Interest will be based on (the "**Successor Index**"). (5) *Calculation of Amount of Interest.* The Calculation Agent will calculate the amount of interest payable under the Notes (the "**Amount of Interest**") in respect of the Specified Denomination for the relevant Interest Period. Each Amount of Interest so calculated may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period.

Where:

"DCF" means Day Count Fraction;

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

(ii) Article 12 of the Regulation (EU) No. 806/2014 of the European Parliament and of the Council of 15 July 2014, as amended.

Where:

"Issuer's MREL Group" means the Issuer and its subsidiaries which have to comply with the MREL Requirement on a group basis.

No such notice of redemption shall be given if at the time such notice takes effect, the obligation to pay such Additional Amounts does not remain in effect.

Any such early redemption pursuant to this § 5 (4) shall only be possible if the conditions to redemption and repurchase set out in § 5 (5) are met.

(a) before or at the same time as the redemption or repurchase, the Issuer replaces the Notes with own funds instruments or eligible liabilities of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or

(b) the Issuer has demonstrated to the satisfaction of the Resolution Authority that the own funds and eligible liabilities of the Issuer would, following such early redemption or repurchase, exceed the requirements for own funds and eligible liabilities laid down in the CRR, the CRD and the BRRD by a margin that the Resolution Authority considers necessary at such time; or

(c) the Issuer has demonstrated to the satisfaction of the Resolution Authority that the partial or full replacement of the eligible liabilities with own funds instruments is necessary to ensure compliance with the own funds requirements laid down in the CRR and CRD for continuing authorisation.

Notwithstanding the above conditions, if, at the time of any early redemption or repurchase, the prevailing Applicable Supervisory Regulations permit the early redemption or repurchase only after compliance with one or more alternative or additional pre-conditions to those set out above, the Issuer shall comply with such other and/or, as appropriate, additional pre-conditions, if any.

For the avoidance of doubt, any refusal of the Resolution Authority (or any other relevant supervisory authority) to grant any permission, approval or other authorisation required in accordance with the Applicable Supervisory Regulations shall not constitute a default for any purpose.

§ 9 NON-PAYMENT AND INSOLVENCY

(1) *Non-payment*. Each Holder shall be entitled in any event contemplated in sub-paragraphs (a) and (b) (other than in case of insolvency (bankruptcy) proceedings are commenced against assets of the Issuer), upon sending a written notice to the Issuer, to inform the Austrian Financial Market Authority (or any other authority competent for such matters in the future) of the occurrence of such event and propose that the Austrian Financial Market Authority (or any other authority competent for such matters in the future) applies to the competent court in Vienna for the commencement of bankruptcy proceedings against the assets of the Issuer:

(a) default is made on the payment of interest or principal in respect of the Notes for a period of fifteen (15) calendar days (in the case of interest) or seven (7) calendar days (in the case of principal) from (and including) the relevant Interest Payment Date or Maturity Date; or

(b) special receivership proceedings (*Geschäftsaufsichtsverfahren*) pursuant to the Austrian Banking Act (*Bankwesengesetz*) (or any other regulation applicable in the future) are commenced against the Issuer, or the Austrian Financial Market Authority (or any other authority competent for such matters in

the future) institutes regulatory measures (*aufsichtsbehördliche Maßnahmen*) with the effect of a temporary moratorium or the Issuer shall be wound up or dissolved, otherwise than for the purposes of reconstruction, merger or amalgamation in which the successor entity assumes all the obligations of the Issuer with respect to the Notes.

(2) *Insolvency*. Each Holder shall be entitled, if insolvency proceedings are commenced against assets of the Issuer, to file an application in such court demanding payment of all principal amounts due under the Notes together with accrued interest and any Additional Amount.

§ 10 FURTHER ISSUES OF NOTES, REPURCHASES AND CANCELLATION

(1) *Further Issues of Notes*. The Issuer may from time to time, without the consent of the Holders, issue further Notes having the same terms as the Notes in all respects (or in all respects except for the issue date, issue price, Interest Commencement Date and/or first Interest Payment Date) so as to form a single series with the Notes.

(2) *Repurchases*. Provided that all applicable regulatory and other statutory restrictions are observed, and provided further that the conditions to redemption and repurchase laid down in § 5 (5) are met, the Issuer and any of its Subsidiaries may at any time repurchase Notes in the open market or otherwise at any price. Notes repurchased by the Issuer or any Subsidiary may, at the option of the Issuer or such Subsidiary, be held, resold or surrendered to the Paying Agent for cancellation.

Where:

"**Subsidiary**" means any subsidiary of the Issuer pursuant to Article 4(1)(16) CRR.

(3) *Cancellation*. All Notes redeemed in full shall be cancelled forthwith and may not be reissued or resold.

§ 11 NOTICES

(1) *Publication*. All notices of facts concerning the Notes shall be published on the website of the Issuer ("www.erstegroup.com"). Any notice so given will be deemed to have been validly given on the fifth calendar day following the date of such publication (or, if published more than once, on the fifth calendar day following the date of the first such publication). This does not affect any applicable stock exchange law publication requirements. Legally material notices shall be given to the Holders via the respective institutions which maintain the Holders' security accounts. Alternatively, the Issuer shall be entitled to send at any time notices directly to Holders known to the Issuer.

(2) *Notification to Clearing System*. If the publication of notices pursuant to paragraph (1) is no longer required by law or the rules of any stock exchange on which the Notes are from time to time listed at the initiative of the Issuer, the Issuer may, in lieu of publication in the media set forth in paragraph (1), deliver the relevant notices to the Clearing System, for communication by the Clearing System to the Holders. Any such notice shall be deemed to have been given to the Holders on the seventh calendar day after the calendar day on which said notice was delivered to the Clearing System.

(3) *Form of Notice to Be Given by any Holder*. Notices regarding the Notes which are to be given by any Holder to the Issuer shall be validly given if delivered in text format (*Textform*) (e.g. in writing) in the German or English language to the Issuer. The Holder shall provide evidence satisfactory to the Issuer of its holding of the Notes. Such evidence may be (i) in the form of a certification from the Clearing System or the Custodian with which the Holder maintains a securities account in respect of the Notes that such Holder is, at the time such notice is given, the Holder of the relevant Notes, or (ii) in any other appropriate manner. "**Custodian**" means any bank or other financial institution of recognised standing authorised to engage in securities custody business with which the Holder maintains a securities account in respect of the Notes and includes the Clearing System.

§ 12 MEETING OF HOLDERS, MODIFICATIONS AND WAIVER

(1) *Amendment to the Terms and Conditions*. In accordance with the subsequent provisions and subject to compliance with the Applicable Supervisory Regulations for the Notes to qualify as eligible liabilities instruments (including, for the avoidance of doubt, where relevant, the conditions to redemption and repurchase), the Holders may agree with the Issuer on amendments of these Terms

and Conditions with regard to certain matters by resolution with the majority specified below. Majority resolutions shall be binding on all Holders. A majority resolution which does not provide for identical conditions for all Holders is void, unless Holders who are disadvantaged have expressly consented to their being treated disadvantageously.

(2) The Holders may consent, by majority resolution, to the following measures, among others:

- (a) changes in the due date or reduction or exclusion of interest payments;
- (b) changes in the due date of the principal amount;
- (c) reduction of the principal amount;
- (d) conversion or exchange of the Notes into shares, other securities or other promises of performance;
- (e) changes in the currency of the Notes;
- (f) substitution of the Issuer; and
- (g) amendments to or cancellation of ancillary conditions of the Notes.

Any amendments will not be made if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to (i) result in a change in the regulatory classification of the Notes that would be likely to result in their exclusion from own funds or reclassification as a lower quality form of own funds, or (ii) prejudice the qualification of the Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of the Applicable Supervisory Regulations.

(3) *Convening a Meeting of Holders.* The Holders' meeting shall be convened by the Issuer or by the Joint Representative of the Holders. It shall be convened if Holders who together hold 5 *per cent.* of the outstanding Notes request such convocation in writing for the purpose of appointing or removing a Joint Representative, passing a resolution in order to render a termination invalid or for any other particular interest in such convocation.

(4) *Contents of the Convening Notice, Publication.* The convening notice shall state the name and the registered office of the Issuer and the time of the Holders' meeting, the agenda and the conditions on which attendance at the Holders' meeting and the exercise of voting rights shall depend. The convening notice shall be published pursuant to § 11.

(5) *Convening Period, Evidence.* The Holders' meeting shall be called at least 14 calendar days before the date of the meeting. As evidence for the entitlement to participate in the Holders' meeting a special confirmation issued by the Clearing System or the Custodian in text form shall be presented.

(6) *Agenda.* The convening party shall include in the agenda a proposed resolution for each subject on which the Holders' meeting is to pass a resolution. The agenda of the Holders' meeting shall be published together with the convening notice. No resolutions may be passed on agenda items that have not been published in the required manner. Holders who together hold 5 per cent. of the outstanding Notes may request that new items be published for resolution. Such new items must be published no later than the third calendar day preceding the Holders' meeting. Without undue delay and until the date of the Holders' meeting, the Issuer shall make available to the Holders on its website ("[www .erstegroup.com](http://www.erstegroup.com)"), any counter-motions announced by a Holder before the meeting.

(7) *Quorum.* The Chairperson shall prepare a register of Holders participating in the vote. Such register shall include the Holders' names, their registered offices or places of residence and the number of voting rights represented by each Holder. Such register shall be signed by the Chairperson of the meeting and be made available without undue delay to all Holders. The Holders' meeting shall have a quorum if the persons present represent at least fifty per cent of the outstanding Notes by value. If the Holders' meeting does not have a quorum, the Chairperson may convene a second meeting for the purposes of passing the resolution(s) anew. Such second meeting requires no quorum. For resolutions which require a qualified majority the persons present must represent at least 25 per cent. of the outstanding Notes. Notes for which voting rights have been suspended shall not be included in the outstanding Notes.

(8) *Majority Requirements.* Resolutions relating to material amendments of these Terms and Conditions, in particular consents to the measures set out in § 12 (2) above shall be passed by a majority of not less than 75 per cent. (Qualified Majority) of the votes cast. Resolutions relating to amendments to the Terms and Conditions which are not material require a simple majority of the votes cast.

(9) *Vote without a meeting.* All votes will be taken exclusively by vote taken without a meeting. The vote shall be conducted by the scrutineer. The scrutineer shall be a notary appointed by the Issuer, or the Joint Representative of the Holders if it has requested such vote. The request for voting shall set out the period within which votes may be cast. Such period shall be at least 72 hours. During the voting period, the Holders may cast their votes to the scrutineer in text form. The request shall set out in detail the conditions to be met in order for the votes to be valid. The scrutineer shall ascertain the entitlement to cast a vote by means of the evidence provided and shall prepare a list of Holders entitled to vote. If it is ascertained that no quorum exists, the scrutineer may convene a Holders' meeting, which shall be deemed to be a second Holders' meeting within the meaning of § 12 (7). Any resolution passed by the vote shall be recorded in the minutes by a notary. Each Holder participating in the vote may request within one year of the end of the voting period a copy of the minutes and its annexes from the Issuer. Each Holder participating in the vote may object to the result in writing within two weeks of publication of the resolutions. The scrutineer shall decide on any such objection. If it takes remedial action as a result of the objection, it shall publish the result without undue delay. § 12 (13) shall apply *mutatis mutandis*. If the scrutineer does not take remedial action as a result of the objection, it shall notify the objecting Holder without undue delay in writing.

(10) *Voting Right.* Each Holder shall participate in votes in accordance with the principal amount of the outstanding Notes held by such Holder. Voting rights are suspended with respect to the shares attributable to the Issuer or any of its Subsidiaries or held for the account of the Issuer or any of its Subsidiaries. The Issuer may not make available Notes for which the voting rights have been suspended to any third party for the purposes of exercising the voting rights in lieu of the Issuer. This shall also apply to any Subsidiaries of the Issuer. Exercise of voting rights for the purposes specified above is prohibited. It is prohibited to offer, promise or grant any advantage as consideration to any person entitled to vote not to vote, or to vote in a particular way, in a Holders' meeting or a vote. No person entitled to vote may require, accept any promise of or accept any advantage or consideration for not voting, or voting in a particular way, in a Holders' meeting or a vote.

(11) *Chair of the vote.* The vote will be chaired by a notary appointed by the Issuer or, if the Joint Representative (as appointed pursuant to § 12(15)) has convened the vote, by the Joint Representative (the "**Chairperson**").

(12) *Voting, Minutes.* The provisions of the Austrian Stock Corporation Act (*Aktiengesetz*) regarding the voting of shareholders in the general meeting shall apply *mutatis mutandis* to the casting and counting of votes. In order to be valid, any resolution passed by the Holders' meeting shall be recorded in minutes of the meeting. The minutes shall be recorded by a notary.

(13) *Publication of Resolutions.* The Issuer shall publish the resolutions passed by the Holders in appropriate form and at its own expense. The resolutions shall be published without undue delay pursuant § 11. In addition, for a period of at least one month commencing on the calendar day following the Holders' meeting, the Issuer shall make available to the public on its website ("[www .erstegroup.com](http://www.erstegroup.com)") the resolutions passed by the Holders and, if these Terms and Conditions are amended by a Holders' resolution, the wording of the original Terms and Conditions.

(14) *Implementation of Resolutions.* Resolutions passed by the Holders' meeting which amend or supplement the contents of these Terms and Conditions shall be implemented in such a way that the relevant Global Note is supplemented or amended. If the Global Note has been deposited with a central securities depository, the Chairperson of the meeting or the scrutineer shall forward for this purpose the contents of the resolution recorded in the minutes to the central securities depository, requesting it to add the documents submitted to the existing documents in appropriate form. It shall affirm to the central securities depository that the resolution may be implemented.

(15) *Joint Representative.*

The Holders may by majority resolution appoint a joint representative (the "**Joint Representative**") to exercise the Holders' rights on behalf of each Holder.

The Joint Representative shall have the duties and powers provided by law or granted by majority resolution of the Holders. The Joint Representative shall comply with the instructions of the Holders. To the extent that the Joint Representative has been authorised to assert certain rights of the Holders, the Holders shall not be entitled to assert such rights themselves, unless explicitly provided for in the relevant majority resolution. The Joint Representative shall provide reports to the Holders on its activities. The Joint Representative shall be liable to the Holders as joint and several creditors for the due performance of its duties. In the performance of its duties, it shall act with the care of a prudent representative. The Joint Representative's liability may be limited by resolution of the Holders. An

assertion of compensation claims against the Joint Representative shall be decided by the Holders. The Joint Representative may be removed by the Holders at any time without reason. The Joint Representative may require the Issuer to provide any information that is necessary for the performance of its duties.

§ 13
**APPLICABLE LAW,
PLACE OF JURISDICTION
AND ENFORCEMENT**

(1) *Applicable Law.* The Notes and any non-contractual obligations arising out of or in connection with the Notes are governed by, and shall be construed in accordance with, Austrian law except for its conflict of law rules as far as such rules would lead to the application of foreign law.

(2) *Place of Jurisdiction.* The competent court in Vienna, Austria shall have exclusive jurisdiction to settle any disputes that may arise out of or in connection with any Notes (including any legal action or proceedings relating to any non-contractual obligations arising out of or in connection with the Notes), to the extent permissible according to applicable mandatory consumer protection legislation.

(3) *Enforcement.* Any Holder of Notes may in any proceedings against the Issuer, or to which such Holder and the Issuer are parties, protect and enforce in its own name its rights arising under such Notes on the basis of (i) a statement issued by the Custodian with whom such Holder maintains a securities account in respect of the Notes (a) stating the full name and address of the Holder, (b) specifying the aggregate principal amount of the Notes credited to such securities account on the date of such statement and (c) confirming that the Custodian has given written notice to the Clearing System containing the information pursuant to (a) and (b), and (ii) a copy of the Global Note certified as being a true copy by a duly authorised officer of the Clearing System or a depository of the Clearing System, without the need for production in such proceedings of the actual records or the Global Note representing the Notes. Each Holder may, without prejudice to the foregoing, protect and enforce its rights under the Notes also in any other way which is admitted in the country of the proceedings.

3rd Section – Key information about the Notes

What are the main features of the Notes?

Typ, class and ISIN

The Notes will bear interest at a rate determined on the basis of a formula relating to the development of the level of the unrevised Harmonised Index of Consumer Prices (excluding Tobacco) for the Euro-zone.

The Notes are debt instruments issued in bearer form and represented by a global note. Form and content of the Notes as well as all rights and obligations from matters under the Notes are determined in every respect by the laws of Austria.

ISIN: AT0000A30FA1 / WKN: EB09M6

Currency, Principal Amount (denomination), number of Notes issued and term of the Notes

The Notes are denominated in Euro (EUR) with a principal amount per Note of EUR 1,000 (the "Specified Denomination") and an aggregate principal amount of up to EUR 200,000,000. The Notes have a fixed term which ends at the latest on 21.10.2029 (the "Maturity Date"), subject to any early redemption rights or repurchase and cancellation by the Issuer.

Rights attached to the Notes

The Notes shall bear interest on their outstanding aggregate principal amount from, and including, the Interest Commencement Date (as defined below) to, but excluding, the Maturity Date at the rate of interest for each interest period which shall be determined by the calculation agent using the following formula (in per cent. per annum ("I_{an}(t)")) and is in any case higher or equal to Zero:

$$I_{an}(t) = (HICP(t) - HICP(t-1))/HICP(t-1) * 100.$$

"HICP(t)" means the level of the HICP as published in respect of the month July immediately preceding the relevant interest payment date.

"HICP(t-1)" means the level of the HICP as published in respect of that month which is 12 months prior to the month underlying the HICP(t). "HICP" is the unrevised Harmonised Index of Consumer Prices (excluding Tobacco) for the Euro-zone, which is calculated

on a monthly basis by the statistical office of the European Union (EUROSTAT) and published on the screen page on the determination day.

Any such early redemption shall only be possible if the conditions to redemption and repurchase are met.

No Early Redemption at the Option of a Holder

The Holders do not have a right to demand the early redemption of the Notes.

No Set-off/Netting, No Security/Guarantee and No Enhancement of Seniority

The Notes are not subject to any set off arrangements or netting rights that would undermine their capacity to absorb losses in resolution.

The Notes are neither secured, nor subject to any guarantee or any other arrangement that enhances the seniority of the claims under the Notes.

Meeting of Holders, Modifications and Waiver

In accordance with the provisions set out in the terms and conditions of the Notes and subject to compliance with the Applicable Supervisory Regulations for the Notes to qualify as eligible liabilities instruments (including, for the avoidance of doubt, where relevant, the conditions to redemption and repurchase), Holders may agree with the Issuer on amendments of the terms and conditions of the Notes with regard to specified matters by resolution with the specified majority. Majority resolutions shall be binding on all Holders. A majority resolution which does not provide for identical conditions for all Holders is void, unless Holders who are disadvantaged have expressly consented to their being treated disadvantageously.

The Holders may by majority resolution appoint a joint representative (the "**Joint Representative**") to exercise the Holders' rights on behalf of each Holder. The duties, rights and functions of the Joint Representative are determined by the terms and conditions of the Notes.

Non-Payment and Insolvency

The Notes constitute direct, unsecured and unsubordinated obligations of the Issuer. In the event of insolvency proceedings

(*Konkursverfahren*) or the liquidation of the Issuer, the obligations of the Issuer under the Notes:

(a) rank *pari passu* (i) among themselves and (ii) (subject to any applicable statutory exceptions and without prejudice to the aforesaid) with all other present or future unsecured and unsubordinated obligations of the Issuer which rank or are expressed to rank *pari passu* with the Issuer's obligations under the Notes;

(b) rank senior to all present or future obligations under (i) Non-Preferred Senior Instruments and any obligations of the Issuer that rank *pari passu* with Non-Preferred Senior Instruments and (ii) all subordinated obligations of the Issuer; and

(c) will be fully subordinated to the Issuer's Senior Ranking Obligations, so that in any such event no amounts will be payable in respect of the Notes until the Issuer's Senior Ranking Obligations have been satisfied in full.

What are the key risks that are specific to the Notes?

Risk factors relating to the structure of the interest rate of the Notes

- Holders may be exposed to the risk of fluctuating interest rate levels which make it impossible to determine the yield of the Notes in advance, and are exposed to the risk of uncertain interest income.
- Holders of Notes with inflation index linked interest bear the risk of the performance of the underlying index.

Risk factor relating to certain provisions of the Terms and Conditions of the Notes

- In the event that Notes are redeemed prior to their maturity, a Holder of the Notes may be exposed to the risk that his investment will have a lower than expected yield.

Risk factors relating to Preferred Senior Notes

- Holders of the Notes are exposed to the risk of statutory loss absorption.
- In case of an insolvency of the Issuer, deposits and certain other claims have a higher ranking than claims of Holders under the Notes.
- The Notes may be redeemed by the Issuer prior to maturity for regulatory or tax reasons.

Risk factors relating to tax and legal matters

- The Notes are governed by Austrian law, and changes in applicable laws, regulations or regulatory policies may have an adverse effect on the Issuer, the Notes and the Holders.
- Changes in tax law may negatively affect the Holders.

Risk factors relating to the pricing of, costs associated with, market in and settlement of the Notes

- Holders are exposed to the risk of partial or total inability of the Issuer to make interest and/or redemption payments under the Notes.
- Holders are exposed to the risk of an unfavourable development of market prices of their Notes which materialises if the Holder sells the Notes prior to the final maturity of the Notes.
- A liquid secondary market for the Notes may not develop or, if it does develop, it may not continue. In an illiquid market, a Holder may not be able to sell his Notes at fair market prices.

4th Section – Key information on the offer of Notes to the public and/or the admission to trading on a regulated market

Under which conditions and timetable can I invest in these Notes?

General terms, conditions and expected timetable of the offer

Not applicable; there are no conditions to which the offer is subject.

The Notes will be offered permanently (*Daueremissionen*, "tap issue").

The Notes will be offered in Austria, Hungary, Romania and Czech Republic (the "Offer State(s)").

The issue date is 21.10.2022.

The Notes will be offered by the Issuer for subscription at the issue price by means of a public offering from 03.10.2022 respectively in the period from 05.10.2022 (the "Start of Subscription Period") until the end of the term of the Notes or until the closing of the tap issue or until the exercise of a call option.

If the aggregate principal amount for the Notes indicated in the Final Terms has been reached prior to the end of the subscription period or offer period at any time on a business day, the Issuer will terminate the subscription period or offer period for the Notes at the relevant time on that business day without prior notice. If the Issuer has not received sufficient valid subscription applications for the Notes until the first value date of the tap issue, the Issuer reserves the right to cancel the tap issue of the Notes. The Issuer is not obliged to issue subscribed Notes.

Estimated expenses charged to the investor

The Issuer will charge to the subscriber or purchaser costs of up to 3.00 per cent of the initial issue price at the issue date.

Why is the Prospectus being produced?

Use and estimated net amount of the proceeds

The issue of the Notes is part of the ordinary business activity of the Issuer and is undertaken solely for its general funding purposes and for making profit.

Date of the underwriting agreement

There is no firm underwriting in relation to the Notes offered.

Indication of the most material conflicts of interest pertaining to the offer or the admission to trading

The Issuer may from time to time act in other capacities with regard to the Notes, such as calculation agent, which allows the Issuer to make calculations in respect of the Notes (e.g. the amount of interest to be paid) which are binding for the Holders. This fact could generate conflicts of interest and may affect the market price of the Notes.

The Issuer acts as market maker for the Notes. In the context of such market making activities, the Issuer will substantially determine the market price of the Notes. The market prices provided by the Issuer in its capacity as market maker will not always correspond to the market prices that would have formed in the absence of such market making and in a liquid market.

The Issuer may use all or some of the proceeds received from the sale of the Notes to enter into hedging transactions which may decrease or increase the market price of the Notes. These hedging transactions and structuring costs might cause a depreciation of the initial value received by the Holders.

Employees of financial institutions such as Erste Group might undertake deals on their own behalf subject to securities laws on personal transactions and market abuse as well as statutory or internal compliance standards.

Erste Group's sales employees may be motivated to sell the Notes, due to the value of incentives received by them (in case the sale is successful) subject to securities and banking laws applicable to any such incentives.

Furthermore, employees might be permitted to take part in securities offerings of Erste Group. When purchasing the Notes, the employee might receive a discount from the value of the market price.
