mToken Yes No Token Yes No

The legal representative agrees that the beneficiary may use the newly issued means of identification and authorisation to access other clients' services Yes No

means of identification and authorisation that is already in my possession

The last 4 digits of the mToken serial number:

The last 4 digits of the Token serial number:

or

The last 4 digits of the current Display card:

Authorization to issue orders

- entry of the order (with no signature option)
- signature on the order: sole signature on the order signature on the order, next to another

Daily limit

- System limit (set by the Bank) Different from system limit

The daily limit is intended to limit the total amount of payment transactions that can be completed within a day using online banking services, and by my signature I confirm that I am aware of the security purpose of the Daily Limit. By selecting a Daily Limit that is higher than the system limit, I confirm that I am aware of the fact that in case of misuse of online banking services, a higher amount of the Daily Limit allows a greater amount of potential damage, and by my signature I confirm that I am aware of the said risk.

Additional authorisations

- overview of loan accounts overview of fixed-term accounts
- overview of specifications of salaries and loans operations with foreign exchange orders / foreign exchange trading
- inspection of the value of units in Erste Asset Management investment funds and the right to file an application for the purchase and sale of units
- overview of Erste Card Club cards downloading of the statement of outstanding balances (IOS) Financial Health Zone

Sending transaction receipts

- do not send e-mail send after entry, signature, as well as to the last signatory after transaction completion
- send only to the last signatory after transaction completion: immediately once a day, at 8 PM (aggregated e-mail)

Beneficiary's signature

By signing this application, the legal representative guarantees that all information is accurate and true and hereby accepts and agrees to the General Terms and Conditions of Use of corporate Erste NetBanking, Erste mBanking and Erste FonStart services that he/she has read. All of the relevant people voluntarily give Erste&Steiermärkische Bank d.d. access to the data on their personal identification number (OIB – Tax Number issued by the Croatian Tax Administration), as well as to other personal data, and they allow the bank to use such data for their unequivocal identification

- We confirm that the applicant is a client of Erste Card Club d.o.o.

* **Mandatory data** are determined by regulations without which Erste&Steiermärkische Bank d.d. cannot establish and/or maintain a business relationship, as detailed in the document titled *Information on Data Processing*.

** **Contact data** are voluntarily provided data enabling the bank to meet its obligations of notification as fast and as simple as possible, to provide any other notices and information on rights and obligations, unless explicitly defined or agreed otherwise under mandatory rules, as well as to deliver information/documents as requested by the client.

Contact data marked **/** may be business-related data, which depends on the services registered by this application: e-mail address – when registering for Erste NetBanking and mBanking service; mobile phone number – when registering for Erste mBanking service and mToken.

*** **Business-related data** are necessary to establish and/or exercise a business relationship with the bank, e.g. certain contact data may be business-related data, as detailed in the document titled *Information on Data Processing*.

**** **Financial Health Zone** is a free digital service, with which business clients can check their financial rating at Erste Bank at any time, compare their financial situation with the state of competition in their industry, view historical trends in their financial parameters and contact their financial representatives for additional information. The service is not provided to business clients of the Small Business Directorate, while business clients from the Small and Medium Clients Sector and the Large Clients Sector are provided depending on the fulfillment of certain preconditions.

Information on data processing include information on procedures and purposes of personal data processing in the bank and they can be found in branch offices and on websites of the bank.

By signing this document, I confirm that I have read and understood *Information on Data Processing* before giving any data.
