

Disclosure of Conflict of Interest with regards to redistribution of MAINFIRST BANK AG research services

Pursuant to Commission Delegated Regulation (EU) 2016/958 Persons who disseminate recommendations produced by a third party shall communicate to the persons receiving the recommendations all relationships and circumstances that may reasonably be expected to impair the objective presentation of the recommendation, including interests or conflicts of interest concerning any financial instrument or the issuer to which the recommendation, directly or indirectly, relates and in particular its own interests or indication of conflicts of interest as laid down in Article 5 and Article 6(1) and (2) of this regulation.

Therefore Erste Securities Polska S.A. as distributor of investment research produced by MAINFIRST BANK AG discloses in the below table in its own interests or indication of conflicts of interest concerning any financial instrument or the issuer to which the recommendation, directly or indirectly, relates, if such exist. This disclosure is updated on current basis.

Affiliates of Erste Securities Polska S.A. are not a party to the research services redistribution agreement with MAINFIRST BANK AG and therefore are not included in this disclosure. Affiliates companies of Erste Securities Polska S.A. as well as its representatives and employees may, to the extent permitted by law, have a position in the securities of (or options, warrants or rights with respect to, or interest in the financial instruments or other securities of) the issuer to which the recommendation, directly or indirectly, relates. Further, associated companies of ESP as well as representatives and employees may offer investment services to the such issuers or may take over management function in the issuers.

The disclosure of MAINFIRST BANK AG as a research producer is available under the below link:
