Functie: Reprezentant Functie: Reprezentant

\*) Pentru nerezidentii care nu detin CNP se va completa, dupa caz, nr. si seria actului de identitate  
\*\*) Am luat la cunostinta faptul ca, in cazul in care acest specimen de semnatura este diferit de specimenul de semnatura dat anterior pe un alt document similar, indiferent de calitatea detinuta la data inregistrarii fisei specimenului de semnatura (persoana fizica sau reprezentant al unei entitati juridice/persoane fizice autorizate), banca retine ca fiind valabil ultimul specimen inregistrat in sistem  
\*) For the non-resident persons, having no CNP (personal numeric code), the number and series of the identity documents will be filled in, under the circumstances.  
\*\*) I am aware that, in case this specimen signature is different from a previously provided signature specimen, irrespective of owned capacity registered at the time of registering of specimen signature form (individual or representative of a legal entity/ authorized individual person), the bank considers as valid the latest specimen registered into the system.  
\*\*\*) Se va completa de catre banca/ shall be filled in by the Bank
