Moreover, if the Adherent holds such information, it shall provide them to the Factor without delay.
- 8.3. In case the payment is not received until the Due Date, the Factor shall initiate the performance of the Collection Operations. In this case, the Adherent undertakes to cooperate with the Factor, including by providing the Factor with all the necessary assistance and information and documents capable of facilitating its Collection Operations.
- 8.4. The means to apply these Collection Operations is unilaterally established by the Factor. All the expenses generated by the Collection Operations are fully borne by the Adherent, irrespective of whether the relevant Receivables have been recovered or not. During the Collection Operations, the Factor has full authority with respect to the assigned Receivables and, especially, the right to negotiate the payment of these Receivables, either financed or not.

For this purpose, the Factor shall debit the balance of the account and shall perform first the set-off of accounts having the same currency as the owed amounts and, to the extent that they are not sufficient, shall debit the balance of and set-off the other accounts. Therefore, the Client authorizes the Factor to perform in the name and on its account, within the limit of any amount owed under these GFC and the Finance Documents to which it is party, any foreign exchange transaction and sign the bid order on the foreign exchange market for converting the proceeds resulted from the enforcement of the movable mortgage into the currency of the Factoring Agreement or of the Reverse Factoring Agreement (as the case may be) at the Factor's exchange rate, if the currency of the Factoring Agreement or of the Reverse factoring Agreement (as the case may be) is different than the currency of the bank accounts.

The Factor shall be entitled, to the extent permitted by the law, to deduct from the available amount any taxes, commissions, fees, expenses or other amounts due and payable at that time by the Client to the Factor under any Finance Document.
- 10.6. For this purpose, the Client authorizes the Factor to:
- (a) automatically debit its current accounts or deposit accounts (even before their maturity) in RON or in any foreign currency with any amounts owed under the Finance Documents to which it is a party;
 - (b) perform, in the name and on the Client's behalf, any transfer or exchange operation at the exchange rate of the Factor.
- 10.7. For the avoidance of any doubt, the performance of any of the operations mentioned by this Art. 10 (*Movable mortgage. Set-off*) represents a right of the Factor and not its obligations, and it can be performed without any additional formalities.

CHAPTER 2 SPECIAL PROVISIONS – REVERSE FACTORING

The provisions of this Chapter 2 (*Special provisions – Reverse Factoring Agreement*) hereof include special rules applicable to (i) the Factoring Agreements concluded under a Reverse Factoring Agreement, respectively to (ii) the Reverse Factoring Agreements. For the avoidance of any doubt, the provisions of this Chapter 2 (*Special provisions – Reverse Factoring*) are applicable in addition to and shall be read together with the provisions of Chapter 1 (*General Provisions*). In case of any discrepancies, the provisions of this Chapter 2 (*Special provisions – Reverse Factoring*) shall prevail.

1. FINANCING CEILING/FLEXIBLE SUB-LIMITS, ESTABLISHED BY THE DEBTOR

- 1.1. The Debtor shall indicate in the recommendation provided to the Factor, in a form agreed by parties, the Sub Limit applicable to each of its suppliers for which the Debtor recommends the execution by the Factor of a Factoring Agreement. The implementation of any Sub Limit indicated by the Debtor shall be subject to the prior approval of the Factor, based, among others, on the exposure limits the Factor may deem applicable, being agreed that the execution of a Factoring Agreement with the recommended Adherent which includes the Sub Limit provided by the Debtor represents a tacit acceptance by the Factor of the Debtor's proposal.
- 1.2. The Debtor has the right to modify the Sub Limit applicable to any recommended Adherent with whom the Factor has concluded a Factoring Agreement under a Reverse Factoring Agreement, including by increasing, decreasing or cancelling such Sub-Limit, subject to the Global Limit. The prior approval of the Factor is necessary with respect to the increase of the Sub Limit applicable to any Adherent, being agreed that the performance by the Factor of the Financing Operations with respect to Invoices which exceed the Sub-Limit previously agreed represents a tacit approval of the Factor with respect to such increase.
- 1.3. The delivery by the Debtor of an Assigned Invoices List requesting the provision of Financing Operations with respect to Invoices issued by the Adherent in a higher or smaller amount than the Financing Ceiling provided in the relevant Factoring Agreement represents an express and irrevocable instruction of the Debtor to amend the Sub Limit allocated to the relevant Adherent.
- 1.4. Following the amendment by the Debtor of the Sub Limit, the Financing Ceiling provided under the Factoring Agreement concluded under a Reverse Factoring Agreement shall be automatically amended in line with the amendment of the relevant Sub Limit, and effective with the date such amendment is implemented in the Factor's evidences, with binding effects on the Adherent, with no prior formality required from the Factor and without any amendment to the Factoring Agreement being necessary.
- 1.5. The Debtor has also the right to replace/remove any recommended Adherent with whom the Factor has concluded a Factoring Agreement under a Reverse Factoring Agreement.
- 1.6. The Debtor has the obligation to inform or notify the Adherent with respect to any such amendment of the Sub-Limit / Financing Ceiling, respectively with respect to the replacement / removal of any Adherent, being hereby expressly agreed that the Factor shall not have any obligation in this respect towards the Adherent.

2. THE ASSIGNED INVOICES LIST

- 2.1. In case the Factoring Agreement is concluded under a Reverse Factoring Agreement, in addition to the conditions mentioned under Art. 5 (*Financing of the Receivables. General Rules*) of Chapter 1 (*General Provisions*) of these GFC, in order for the Factor to perform the Factoring Operations, the Assigned Invoices List shall be submitted by the Debtor and shall be confirmed by the Adherent as well, in a form satisfactory for the Factor or according to the functionality of the "BCR Factoring Express" Platform.

3. SPECIAL CASES OF PROLONGATION AND TERMINATION OF THE FACTORING AGREEMENT CONCLUDED UNDER A REVERSE FACTORING AGREEMENT

 - (a) the duration of the Factoring Agreement shall be automatically extended for successive periods of 1 (one) year as of the expiry of the initial period mentioned under the Factoring Agreement, without any amendment in this respect being required;

- (b) the duration of the Factoring Agreement shall not exceed the maturity of the Reverse Factoring Agreement under which it is concluded, respectively that the Factoring Agreement shall automatically terminate on the date the relevant Reverse Factoring terminates, irrespective of the termination reason. The Debtor has the obligation to inform or notify the Adherent with respect to the termination of the Reverse Factoring Agreement and consequently with respect to the termination of the Factoring Agreement, being hereby expressly agreed that the Factor shall not have any obligation in this respect towards the Adherent.

4. UNDERTAKINGS OF THE DEBTOR

Until the date all the amounts owed to the Factor under any Finance Document concluded between the Factor and the Client have been fully and irrevocably paid, the Debtor hereby undertakes, irrevocably and unconditionally, to duly and timely perform the following obligations and it acknowledges that the fulfilment of these obligations were essential for the Factor when entering into the Finance Documents:

Any payment made by the Debtor shall include details on the number and the date of the paid Invoice. The Debtor shall be deemed to be in default by operation of law (*Rom. se va afla de drept in intarziere*) if it does not pay any amount owed under the Finance Documents at the due date, in the agreed currency and at the agreed place of payment, respectively, to the extent applicable, if such payment does not occur until the expiry of any applicable Grace Period;
