## 5.2. Proposal for distribution of net profit for the financial year 2022

We propose to the General Meeting of Shareholders, the following structure of net profit allocation for 2022:

**Table A**

<b>Item description</b>	<b>Amount (RON)</b>
Legal reserve	-
Other reserves[1]	73,547,564
Dividend distribution[2], out of which:	1,189,510,340
- ordinary dividends	1,145,561,239
- AT1 dividends[3]	43,949,102
Retained earnings[4]	566,958,004
<b>Total</b>	<b>1,830,015,908</b>

[1] The amount of RON 73,547,564 represents the reinvested accounting profit of BCR which was exempt from applying corporate income tax, in accordance with the provisions of the Fiscal Code in force and which should be allocated to „Other Reserves“.

[2] The amount of RON 1,189,510,340 represents the gross amount of ordinary dividends and dividends related to AT1 instruments issued by BCR in September 2022 recorded in other AT1 capital items.

[3] The AT1 dividends will be booked as payable in EUR on the date of approval of their distribution by the GMS and will be paid according to contract on 29 May 2023. Their value, established according to the terms and conditions of the AT1 notes, is EUR 8,940,740. The RON equivalent mentioned above has been calculated at the exchange rate valid on 9 March 2023 of 1 EUR = 4.9156 RON. The final value of these will be lower or higher depending on the evolution of the EUR - RON exchange rate up to the date of registration of the payment obligation in EUR. The FX difference will have impact on the Retained earnings – item 4.

[4] The retained earnings totaling RON 566,958,004 will be used in accordance with the Bank's business strategy.

The recommendation to distribute dividends in 2023 takes into account the Capital Strategy of the BCR Group according to which both the capital ratios and the MREL target will be met. The total dividend amount also includes the dividends related to the AT1 instruments issued by BCR in September 2022, recorded as other equity items (AT1) in the amount of EUR 8,940,740, which will be paid, according to the Terms and Conditions of the AT notes, on 29.05.2023 to Erste Group Bank AG, as the holder of the AT notes.

## 5.3. Payment of dividends

**Dividends related to AT1 instruments** will be paid, as mentioned above, on 29<sup>th</sup> May 2023 in total amount of EUR 8,940,740.

We propose **the ordinary dividends** in total amount of RON 1,145,561,239 to be paid at the latest 31<sup>st</sup> of May, 2023.

Any withholding tax applied to dividend income will be deducted from gross value in accordance with the provisions of the Fiscal Code. Tax treatment of dividend income will be determined for each category of beneficiary under the tax provisions.

## 5.4. Regarding own funds items under Regulation 575/2013

Pursuant to Regulation 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No. 648/2012, Chapter

II "Basic Tier 1 Own Funds", Article 26, paragraph 1, the principal own funds items are: retained earnings, other items of accumulated comprehensive income, other reserves and funds for general banking risks. Eligible own funds items are included net of potential obligations (dividends, taxation effects). In case of reinvested accounting profit, the amount included in own funds will be net of any tax charge foreseeable at the moment of its calculation.

These Basic Level 1 own funds items referred to in the previous paragraph may be included in the calculation of own funds only if they are available immediately and unrestricted to cover the risks or losses as soon as they appear.

In accordance with the above, we propose to General Shareholders' Meeting the approval of the following:

- Distribution of the net profit for the financial year 2022 according to the table above (Table A);
- Payment of ordinary dividends in compliance with the provisions of the Fiscal Code (regarding withholding tax) in total amount of RON 1,145,561,239 until 31st of May, 2023;
- Payment of AT1 dividends in compliance with the provisions of the Fiscal Code (regarding withholding tax) on 29<sup>th</sup> of May 2023 to Erste Group Bank AG, as the holder of the AT notes in total amount of EUR 8,940,740;
- Maintaining the inclusion in the Basic Tier 1 Own Funds of the retained earnings, other accumulated earnings, other reserves and funds for general banking risks in compliance with the provisions of Regulation 575/2013 up to any other decisions of the GSM;
- Continuing in 2023 to apply for the fiscal facility related to the reinvested profit with the consequence that the net accounting profit will have to be mandatorily allocated to "Other reserves" category within total Bank's equity.
