- 2.3 The Drawdown Period shall commence on submitting to the Lender the following documents in form and substance satisfactory to the Lender:
 - 2.3.1 a current excerpt of the Business Register in relation to the Borrower (original not older than 3 months from the signature of this Agreement or an officially legalized copy thereof);
 - 2.3.2 documents evidencing the corporate approvals and any other authorisations and approvals (if required by NBR regulations) necessary for the Borrower to enter into this Agreement (originals or officially legalized copies thereof).
 - 2.3.3 The obligation of the Lender to make the disbursement is subject to the further condition that at the time a Drawdown Notice is received and at the time a disbursement is made the representations and warranties contained in this Agreement shall be true and correct in all material respects with the same effect as though such representations and warranties had been made on the date of the receipt of such Drawdown Notice or the making of such disbursement.

- 3.3 Subject to fulfilment of Clause 2.3, the Lender undertakes to make the Loan available and the Borrower has the right to draw the Loan provided that the Drawdown Date does not occur later than 30 September 2009.

IV INTEREST CONDITIONS

- 4.1 The Borrower shall pay accrued interest on the Principal Amount on the corresponding Interest Payment Dates.
- 4.2 Interest applicable to any outstanding Principal Amount shall be determined by the Lender and shall be the aggregate of the Reference Interest Rate and the Margin. The amount of interest shall be calculated on the basis of the actual number of days elapsed and a year of 360 days. The Lender shall promptly within two (2) Business Days after the start of the corresponding period at the latest notify the Borrower of the duration of each Interest Period and the applicable interest rate.
- 4.3 Each Interest Period shall be of one (1), three (3) or six (6) months' duration as selected by the Borrower and notified to the Lender at least five (5) Business Days before the end of each preceding Interest Period based on the Borrower's signed Interest Period Notice, provided, however, that:
 - 4.3.1 the Initial Interest Period for the first disbursement shall commence on the Drawdown Date of such first disbursement and shall end on the numerically corresponding date of the first (1st), third (3rd) or the sixth (6th) calendar month, as selected by the Borrower, following the date of the disbursement. In case of multiple disbursements the Initial Interest Periods for each subsequent tranche shall end on the same day as the current Interest Period for any other tranche. On the last day of those Interest Periods, those tranches with the same Margin shall be consolidated and treated as one tranche. Each subsequent Interest Period, which shall be of one (1), three (3) or six (6) months' duration, shall commence on the day following the last day of the preceding Interest Period;

 - 4.3.3 if the Borrower fails to select an Interest Period in accordance with this Clause, that Interest Period will, subject to the other provisions herein, be one (1) month;
 - 4.3.4 any Interest Period, which would otherwise extend beyond the Final Maturity Date shall be of such duration that it shall end on the Final Maturity Date;
- 4.4 If the Lender determines that adequate and fair means do not exist for ascertaining the Reference Interest Rate based on the actual market conditions on the European interbank market the Lender shall promptly notify the Borrower of the fact and that this Clause 4.4 will be used to determine the Reference Interest Rate as follows:
 - 4.4.1 If a notification under this Clause 4.4 applies to a tranche which has not yet been disbursed, that tranche shall not be disbursed.
 - 4.4.2 If a notification under this Clause 4.4 applies to a Principal Amount which is outstanding, then, for the purpose of calculating the rate of interest on that Principal Amount:
 - 4.4.2.1 within five Business Days of receipt of the notification, the Borrower and the Lender shall enter into negotiations in order to try to agree on an alternative basis for determining the rate of interest and/or funding applicable to that Principal Amount; such negotiations, however, shall not exceed a period of 30 days;

- 4.4.2.4 such an alternative basis may include an alternative method of fixing the interest rate, alternative interest periods or alternative currencies but it must in any case cover the Lender's reasonable costs of funding the Principal Amount from whatever sources it may (acting reasonably) select plus the Margin as set out herein; and
- 4.4.2.5 each alternative basis so certified shall be binding for the Borrower and the Lender and treated as part of this Agreement.

V

REPAYMENT AND GENERAL PAYMENT TERMS

- 5.1 The Principal Amount shall, together with any other then due part of the Loan Receivable, be repaid on the Final Maturity Date.

All amounts payable by the Borrower shall be paid on their due dates in immediately available funds in EUR not later than 11.00 a.m. Bucharest time.

The Borrower hereby irrevocably instructs the Lender to debit the Account with the amount of any payments to be made by the Borrower under this Agreement and irrevocably consents with such debiting.

Notwithstanding this irrevocable instruction, the Lender may request the Borrower to make payments to such other account as the Lender might notify to the Borrower from time to time.
- 5.2 All payments made by the Borrower hereunder shall be made without set-off or counterclaim whatsoever and free and clear of any deductions or withholdings.

 - 5.3.2 secondly, in or towards payment pro rata of any accrued interest due but unpaid under this Agreement;
 - 5.3.3 thirdly, in or towards payment pro rata of any Principal Amount due but unpaid under this Agreement; and
 - 5.3.4 fourthly, in or towards payment pro rata of any other sum due but unpaid under the Agreement.
- 5.4 The Principal Amount may not be prepaid before the Final Maturity Date.
- 5.5 The Borrower is entitled at its sole discretion to postpone repayment of the Loan Receivable or any part thereof if as a result of such repayment the level of own funds would according to the opinion of the Borrower decrease below 8 %.

- 6.3 No payment to the Lender under this Agreement pursuant to any judgment or order of any court or otherwise shall operate to discharge the obligations of the Borrower in respect of which it is made unless and until payment in full has been received in the currency in which the relevant sum is payable hereunder (the "Currency of Obligation") and, to the extent that the amount of any such payment shall on actual conversion into the Currency of Obligation, expressed in the Currency of Obligation, be less than the sum originally due to the Lender in the Currency of Obligation, the Lender shall have a further and separate cause of action against the Borrower for the recovery of such sum as shall after conversion into the Currency of Obligation be equal to the amount of the shortfall.
- 6.4 The Borrower's obligations under this Clause 6 shall remain in full force and effect irrespective of the actual disbursement of the Loan.
