1.11. The information included in the section entitled "4. LEGAL PROCEEDINGS" commencing on page 49 of the Original Registration Document as amended by Registration Document Supplement No. 1 dated 12 May 2025 and the Registration Document Supplement No. 2 dated 9 September 2025 shall be replaced by the following information:

4. LEGAL PROCEEDINGS

The Issuer and some of its subsidiaries are involved and have been involved in the twelve months preceding the date of this Registration Document in legal disputes, including governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Issuer is aware), most of which have arisen or have been threatened in the course of ordinary banking business. These proceedings are not expected to have a significant negative impact on the financial position or profitability of BCR Group and/or the Issuer. BCR Group is also subject to the following ongoing proceedings, some of which, if adversely adjudicated, may have a significant impact on the financial position or profitability of BCR Group and/or the Issuer:

Arbitration proceedings

Apart from the proceedings described below, during the previous twelve months preceding the date of this Registration Document BCR has been involved in one case of arbitration proceedings in connection with the joint venture agreement concluded between Bucharest Financial Plazza S.R.L. ("BFP") and Bucharest Municipality having as object the construction and exploitation by BFP of a building on the land plot owned by Bucharest Municipality in Bucharest, 15 Calea Victoriei, 3rd District. As a direct consequence of the merger by absorption process between BCR as absorbing company and BCR Real Estate Management SRL and Bucharest Financial Plaza S.R.L. as absorbed companies, BCR became a part of the arbitration proceedings due to the fact that pursuant to the merger, all the rights and obligations of the absorbed companies were taken over by BCR.

In 1993, Bucharest Municipality and Bouygues Romania S.R.L. entered into a joint venture agreement having as object the construction and exploitation by Bouygues Romania S.R.L. of a building on the land plot owned by Bucharest Municipality in Bucharest, at 15 Calea Victoriei, 3rd District. In 1994, BFP took over all Bouygues Romania SRL's rights and duties arising from the

joint venture agreement. BFP undertook the duty to pay Bucharest Municipality an annual quota from the total generated net income, which under any circumstances could be less than 1/25 out of the definitive value of the land plot. Starting with 2001, there have been some disagreements between BFP and Bucharest Municipality between the amounts due by BFP to Bucharest Municipality, which lead to several claims filed by Bucharest Municipality against BFP.

In order to settle all the existing litigations with Bucharest Municipality and to transfer of the ownership right over a building (the "**Lipscani Building**") located in Bucharest, 18-20 Lipscani street, Bucharest 3 to Bucharest Municipality, on 4 December 2013, BFP and Bucharest Municipality entered into:

- a settlement agreement involving, among others, the termination of the joint venture agreement concluded on 1 September 1993;
- an exchange agreement having as object the transfer of the ownership right over the land located in Bucharest, 15 Calea Victoriei (land under BFP Building) from Bucharest Municipality to BCR and the ownership right over Lipscani Building from BCR to Bucharest Municipality.

Pursuant to the settlement agreement, Bucharest Municipality waived all present and future claims against BFP under the joint venture agreement.

However, starting with an inspection performed by the CoA at Bucharest Municipality in 2014, followed by an inspection at BFP of the Romanian National Agency for Fiscal Administration notified by the CoA, related to the execution of the joint venture agreement, the issue was reopened.

In December 2016, BFP received an arbitration request submitted by Bucharest Municipality at the International Chamber of Commerce in Paris for a total value of RON 72.5 million, comprised of RON 15,458,507 representing the main debt and the difference of duly owed quota under the joint venture agreement for the period 2001 to 2013 and RON 57,029,409 representing surcharges for late payment related to the main claim, calculated until 5 September 2016.

In May 2017, Bucharest Municipality increased the initial claims based on different scenarios to be taken into consideration by the arbitration court depending on different legal grounds applicable for computing the interest, as follows:

- RON 78,718,187 penalties and deferred interest according to the legal provisions of law no. 76/1992 on measures for repayment of credits resulting from the action of clearing, payments to businesses, preventing the failure of payment and financial deadlock; or
- RON 8,656,712 legal interest calculated until 5 September 2016 under the Civil Code of 1864; or
- RON 8,656,712 legal interest calculated until 5 September 2016 as per Decree no. 311/1954 regarding the legal interest set-up.

Through the closing statement, Bucharest Municipality has reduced the amount of claims as follows:

- RON 7,286,706 representing the main debt and the difference of duly owed quota under the joint venture agreement for the period 2001 to 2013;
- RON 21,100.859 representing the principal surcharges for late payment related to the main claim, calculated until 31 March 2018; and in subsidiary, depending on different legal grounds applicable for computing the interest, as follows:
 - ORON 8,437,184 legal interest calculated until 31 March 2018 under the Government Ordinance no. 9/2000 on the level of the legal interest for monetary obligations.
 - RON 7,286,706 penalties and damages calculated until 31 March 2018 under the legal provisions of law no. 76/1992 on measures for repayment of credits resulting from the action of clearing, payments to businesses, preventing the failure of payment and financial deadlock;

On 31 October 2019, the dispute was solved by the International Court of Arbitration in favour of BCR. Against this solution, the Bucharest Municipality filed a request for annulment. On 12 October 2020, the Bucharest Court of Appeal rejected the appeal. Against this decision the claimant filed a second appeal. On 18 January 2022, the Romanian High Court of Cassation and Justice suspended the hearing of the second appeal pending the resolution of the exception of unconstitutionality raised by the Bucharest Municipality, which concerns the fact that the old procedural rules (applicable to the plaintiff), in force at the time when the litigation was initiated, did not provide for the possibility to file a second appeal in such cases, unlike the new rules which provide for such a possibility.

Consumer protection claims

BCR is involved in legal disputes, most of which have arisen in the course of its ordinary banking business, including consumer protection claims filed by individual customers, regulatory authorities or consumer protection agencies and associations, mainly relating to allegations that certain contractual provisions, particularly in respect of consumer loans, violate mandatory consumer protection laws and regulations. The allegations relate to the enforceability of certain fees as well as of contractual provisions for the adjustment of interest rates and currencies.

These litigations concern the "abusive clauses" inserted in credit agreements, regarding both variable interest and fees charged. Even if each action refers either to all or only a part of the loan costs, BCR analyzed and set up a covering provision for the entire ongoing litigation portfolio, taking into account all the costs charged for all loans in dispute. As a result, there is no substantial adverse material risk that could influence BCR's business activity in connection with these cases. For individual cases, BCR set up a provision in the amount of RON 20.4 million equivalent as of 30 June 2025 (March 2025: RON 20.38 million). For the cases filed by the ANPC having as object to force BCR to eliminate the unfair terms from all ongoing contracts signed between 2007 – 2010, a provision was established in the amount of RON 287.29 million as of 30 June 2025. These provisions will be updated until the end of December 2025.

As of the end of December 2024, the amount of the provisions for collective cases has been increased due to the fact that BCR took in consideration also the loans falling under an ANPC thematic control report from June 2024. The investigation focused on the abusive clauses, particularly those related to variable interest rates that could be unilaterally adjusted by the Issuer. On 26 June 2024, BCR received the control report. According to it, ANPC fined BCR and, within 90 days, BCR was obliged to recalculate the variable interest rates and fees for loans granted in the period 2004-2010, which are active or have been closed in the last 6 months prior to the report (meaning all active loans in November 2023), including the loans declared as early maturity or assigned to third parties and to reimburse the allegedly overcharged amounts to clients. Considering as illegal the findings and measures ordered by ANPC, BCR has challenged this report in court. The challenge suspends the Issuer's payment obligations. The litigation is ongoing.

In the last cross-portfolio case, on 6 June 2024, the Bucharest Court of Appeal rejected the appeal filed by ANPC and the decision is final. The decision was communicated to the Issuer on 29 August 2025.

In terms of provisions for individual cases, the decrease in provisions was mainly due to a decrease in number of the cases settled and unexecuted (through either the fulfilment of the statute of limitation period or execution) and to fewer new disputes arising and the implementation of a new strategy for the amicable settlement of disputes concerning the alleged unfair terms in 2024 and in the first quarter of 2025. The new cases inflow registered a slow increase in the second and third quarter of 2025 compared to 2024 and the first quarter of 2025. The trend of the new individual cases remains downward compared to previous years.

In addition to the disputes regarding the alleged unfairness of clauses in the loan agreements, following ANPC's allegations against BCR (and 17 other banks) that the structure of the private individuals loans reimbursement schedule represents an unfair commercial practice, given the

fact that the monthly instalment include more interest than principal, BCR challenged in court both (i) the minutes issued by ANPC in this respect, imposing a fine in amount of RON 50,000, and (ii) the corrective order imposed by ANPC, requesting BCR to review the repayment schedules for both the existing stock of private individual loans, as well as for future loans, and ensure that loans are repaid in equal instalments, composed of 50% principal and 50% interest, while observing the indebtedness degree of the clients (and to apply "optimal measures" to ensure the observance thereof).

BCR argued that it observed and continues to observe all the applicable legal requirements, whilst the review of the reimbursement schedules ensuring equal instalments made of equal parts of principal and interest cannot be implemented in the context of observing the regulatory requirements concerning the client indebtedness degree.

Furthermore, BCR filed an injunction for suspending the order issued by ANPC and obtained the temporary suspension of the order issued by ANPC (until the final settlement of the challenge for annulling the order issued by ANPC). Also, on 22 November 2023, BCR obtained the suspension of the proceedings in the challenge for annulling ANPC's order until the final settlement of the file regarding the challenge against the minutes issued by ANPC. In this latter case, on 8 November 2024, the first court admitted BCR's challenge and annulled the minutes issued by ANPC. The decision is not final. ANPC filed appeal with first hearing on 14 November 2025. No provision is established for the time being.

Tax litigations - Transfer pricing

The litigations initiated by the Issuer following the results of the tax audit for the period 2012 -2015 are still on going, no final decisions being rendered on the merits neither in the national suits nor in the EUAC (as defined below) proceedings. However, the amounts required by fiscal authorities were already paid. On 2 July 2025, in the first-instance, the court dismissed the Issuer's request to recognize the mutual agreement procedure ("MAP") under the European Union Arbitration Convention ("EUAC") as having been initiated in 2019, citing a lack of object. This appears to stem from the court's acceptance of ANAF's position that the MAP has been ongoing in Austria since May 2024. Also, the court dismissed BCR's request to oblige ANAF to continue the MAP procedure initiated according to BCR's request from 30 March 2018. The court awarded BCR the legal costs, which is usually not the case when a claim is considered manifestly unfounded at the time of its filing. The decision is not final. It may be appealed within 15 days from the date of its communication to the parties.

Impairment of shares held in subsidiaries

In 2017, during the tax audit performed by the tax authorities, the management of BCR requested deductibility of the expenses generated by the impairment of shares in subsidiaries booked for the period 2012 – 2015, considering the provisions of the Romanian Tax Code applicable for these periods. Despite all the arguments put forward by BCR, the tax authorities considered that the expenses incurred by the Issuer during the audited period related to the impairment of its shares held in subsidiaries are not deductible.

In 2017, BCR challenged the Romanian tax authority's resolution on this topic in court. The legal proceedings are ongoing.

According to the external lawyers' opinion and based on the available information and analysis, BCR's management appreciates that there are more likely than not chances for a favourable solution against the Romanian tax authorities.

Based on specialists' opinion mentioned above and the provisions of IAS 12 - Income Taxes, BCR recognized in 2017 an asset of the nature of the income tax, in relation to the expenses with the impairment of shares in subsidiaries booked for the period 2012 - 2015.

The aforementioned asset was subject to successive independent evaluations in the period that followed. In December 2023, BCR adopted a prudent approach and decided to reverse this asset, considering the uncertainty as to the timing of the final resolution in the court and there was not much progress over a period of more than 5 years.

Legal claims and contingent liabilities - the audit mission of the CoA - BCR BpL

In 2015, the CoA conducted a control at the BCR BpL. Following the mission, the CoA claims that several deficiencies were identified, the vast majority grounded on a different interpretation of the applicable legal provisions. The conclusions of the audit were incorporated in a CoA's decision requesting BCR BpL to determine the exact amount of the prejudice and to settle it with the relevant state authorities.

BCR BpL challenged in court the decision of CoA. Whilst BCR BpL had won on the very large majority of the counts before the first court, the case was ultimately lost before in the appeal stage, where, on 21 June 2019, the Romanian High Court of Cassation and Justice maintained the most relevant conclusions of the CoA's decision (the "**HCCJ Decision dated 21 June 2019**").

BCR BpL decided to challenge within the legal deadline by the means of two extraordinary appeals which have been both irrevocably rejected in 2021. On the other hand, BCR BpL filed at the beginning of 2020 a claim for damages before the ECHR. The ECHR rejected BCR's application on 11 January 2024. The ECHR opined that as long as the Issuer was afforded a fair trial (including several levels of jurisdiction where the Issuer had the opportunity to present its case), there was no unjust limitation of property rights. Regarding the accusation of discrimination, the ECHR's reasoning was far more succinct, stating simply that there was insufficient evidence to support this claim.

BCR BpL partially implemented the CoA's decision and paid in September 2019 an amount of approximately EUR 11.7 million. For the measures to be implemented according to the decision of the Romanian Court of Accounts that was maintained by the HCCJ Decision dated 21 June 2019, BCR BpL obtained several postponements for the decision implementation until 2 February 2021, after which the implementation deadline of the CoA's decision was no longer extended.

As a consequence, BCR BpL established the amounts (representing paid state premiums, interest and penalties) pursuant to the CoA's aforementioned decision, as such was upheld by the HCCJ Decision dated 24 June 2019. The assessment of the alleged damages was performed based on Romanian applicable civil and fiscal laws with the assistance of BCR BpL's internal legal department, qualified external legal advisers and tax consultants.

The deadline for fulfilling the latter three measures was extended to 5 November 2021, pursuant to the Decision 17/2015 of the CoA ("CoA Decision 17") 17/8/2015 / 04.10.2021. On 21 January 2022, BCR BpL fully implemented the remaining measures II.2, II.5 and II.6, by paying the principal for the state premiums calculated as damage related to the above-mentioned measures, in amount of RON 432,698,572.80. On 28 January 2022, BCR BpL submitted to the Romanian Ministry of Development, Public Work and Administration the application for the exemption of the obligation to pay the accessories, pursuant to the special provisions of the EGO no. 69/2020. BCR BpL performed the above payments to comply with CoA Decision 17, however as it opposed to the CoA Decision 17, it continued the legal actions against the CoA Decision 17 before the ECHR.

Based on special provisions of EGO 69/2020, BCR BpL also filed the corresponding exemption request with the Romanian Ministry of Development, Public Work and Administration. Since this request was denied, BCR BpL filed an administrative action with the Bucharest Court of Appeals asking the court to order the Romanian Ministry of Development, Public Work and Administration to issue a decision cancelling this payment obligation (this being an administrative action based on special legal provisions of EGO 69/2020 - case file no. 6245/2/2022). On 6 July 2023, BCR BpL received the first court's decision admitting BCR BpL's claim and obliging the Romanian Ministry of Development, Public Work and Administration to provide solution on the merits of the fiscal amnesty request. Briefly, the court considered that: (i) BCR BpL met the eligibility criteria regarding the claim; (ii) the Romanian Ministry of Development, Public Work and Administration wrongly assessed the eligibility criteria and therefore the amnesty rejection decision was incorrect; and (iii) the Romanian Ministry of Development, Public Work and Administration performed an abuse of power claiming that the claim eligibility criteria were not met. On 25 July 2023, the Romanian Ministry of Development, Public Work and Administration filed a recourse against this decision. On 18 April 2024, the Romanian High Court of Cassation and Justice rejected the recourse of the Romanian Ministry of Development, Public Work and Administration, upholding Bucharest Court of Appeal's initial ruling.

On 5 December 2022, BCR BpL received a decision issued by Romanian Ministry of Development, Public Work and Administration ("MDPWA Decision") asking the payment of the

ancillary budgetary liabilities, which were set in the amount of RON 388.9 million. According to the MDPWA Decision, BpL had the obligation to pay this amount within 30 days of receipt of the MDPWA Decision, i.e. by 5 January 2023. Failure to pay the amount within the deadline was likely to lead to the initiation of enforcement by NAFA - General Division for the Administration of Large Taxpayers. BpL filed a contestation to the Romanian Ministry of Development, Public Work and Administration against the MDPWA Decision and submitted to the Bucharest Court of Appeal a formal application requesting the court to suspend the execution of this MDPWA Decision for the payment of the accessory budgetary obligations, calculated for the amount representing undue state premiums, which was paid to MDPWA by BpL. On 31 January 2023, the Bucharest Court of Appeal rejected BpL's request for suspension of execution. Therefore, the value of the tax obligation, communicated by the MDPWA Decision in the amount of RON 388.9 million was reflected in the accounting records of BpL as a definite liability.

Since the Romanian Ministry of Development, Public Work and Administration rejected the contestation filed on the administrative procedure, BCR BpL filed a judicial claim with the Bucharest Court of Appeals asking the court to annul the decision of the Romanian Ministry of Development, Public Work and Administration on ancillary budgetary claims (file case No. 4758/2/2023 - on 8 October 2024 the annulment requested by BCR BpL was granted; the decision is final as the Romanian Ministry of Development, Public Work and Administration did not file recourse) and to suspend its execution (file case No. 4770/2/2023)), granted on 22 September 2023, decision which is final.

The value of the tax obligation, communicated by the Romanian Ministry of Development, Public Work and Administration Decision in the amount of RON 388.9 million was reflected in 2022 in the accounting records of BCR BpL as a definite liability.

Following the favourable High Court ruling from 18 April 2024 and a subsequent review of BCR BpL's amnesty application, on 26 September 2024, the Romanian Ministry of Development, Public Work and Administration has issued the amnesty decision for the amount of RON 388.9 million (approximately EUR 77 million).

Subsequently, as of the end of September 2025 there were no longer any reasons for maintaining the liability for penalties amounting to RON 388,9 million. Therefore, the derecognition of the above-mentioned liability against other operating income has been approved, with the application of the 2% supplementary tax on turnover due by credit institution.

Stradal vs. BCR (EUR 33.7 million claim)

During 2023, a guarantor of a former corporate client and the guarantor's main shareholder initiated several lawsuits against BCR (there are currently 5 pending cases received during 2023 and 2024, out of which in 2 cases the plaintiff requested the Issuer to be obliged to pay damages) in which, in essence, they requested:

- that BCR be ordered to pay EUR 33.7 million in damages, claiming that, based on a suretyship clause in the mortgage contract, later annulled by the Bucharest Court, BCR had significantly influenced the insolvency proceedings, approving the sale of the plaintiff's assets at a value below market prices and collecting undue amounts of money. On 3 July 2025, the first court rejected as unfounded the plaintiff's request on the merits. The decision is not final. On 9 September 2025, the plaintiff filed appeal.
- the annulment of the loan restructuring contract, the annulment of the mortgage contract or to find that the effects of the mortgage contract have ceased when the loan has been restructured, the annulment of the acts of execution by which the guarantees were enforced, and the repayment of RON 24.5 million, the value of the unmortgaged real estate assets sold during the insolvency proceedings of the guarantor, the partial annulment of the assignments contract of the Issuer's claim, the reduction of the Issuer's claim to EUR 0.85mn (the price at which the mortgaged property was sold in the insolvency proceedings). In the file regarding the repayment of RON 24.5 million, on 3 April 2024, the first court rejected BCR's objection concerning the statute of limitation, but also admitted the objection of inadmissibility and dismissed the action as inadmissible. The plaintiff filed appeal against this decision on the merits and BCR filed appeal regarding the rejection of the objection the statute of limitation. On 18 March 2025, the court rejected the plaintiff's appeal and admitted

BCR's appeal, keeping only the part of the judgment holding the plaintiff's request as being inadmissible. The decision is not final. The plaintiff filed recourse (first hearing on 27 January 2026). In the file regarding the annulment of the restructuring and of the mortgage contracts, in which, also the first court rejected the claim as inadmissible, on 27 February 2025, the court of appeal admitted the plaintiff's appeal and send the case to the first court for retrial on the merits. BCR filed recourse against this decision, with the first hearing scheduled for 11 November 2025. In the file regarding the reduction of the Issuer's claim to EUR 0.85mn, where the judgement was suspended pending the resolution of the case in which the former guarantor requested the bank to be obliged, together with the borrower and the assignees, to refund the amount of RON 24.5 million, the claimant filed recourse against the suspension measure (no hearing scheduled yet).

On the merits of the cases, BCR's defences are that, during the insolvency proceedings, the legal provisions enforced have been observed, in which context it cannot be obliged to pay damages and that the amount of RON 24.5 million was not collected by BCR, the holder of the claim at the date of the valuation of the guarantees being the collection company to which the claim was transferred in between.

Prior to the first litigation in which the plaintiff claimed EUR 33.7 million in damages, the plaintiff initiated other two litigations, requesting, in essence, the partial annulment of the assignment contract concluded by BCR with the collection company and the annulment of all subsequent acts and contracts, including the acts of execution by which the guarantees were enforced (one litigation has been irrevocably solved in favour of BCR on 16 September 2025, and in the second one the proceedings are suspended pending the resolution of the first case).

The two pending cases in which the plaintiff requested BCR to be obliged to pay damages are still ongoing (the first file was decided in first instance in favour of the Issuer - the decision is not final, the plaintiff filed appeal, and the second is in recourse phase). The court decisions pronounced in the first court are not enforceable and those pronounced and those which are to be pronounced in the appeal are not final. The solutions in the other cases can only influence BCR's position in the two cases involving claims against BCR.

In December 2023, a provision in amount of RON 24.5 million has been established by BCR for this dispute.

Other litigations

As of 30 September 2025, BCR was involved in 2704 litigations out of which 1690 litigation cases as defendant. BCR recorded provisions for litigations in a total amount of RON 62.88 million equivalent for various cases (including the individual consumer protection cases) and RON 287.29 million equivalent for cross-portfolio cases (including the provisions for closed loan agreements related claims) as of 30 September 2025. All litigations are monitored and all the cases with loss risk are evaluated and provisioned."
