Erste Private Banking Service

Erste Private Banking service in Slovakia is provided by Slovenská sporiteľňa, a.s.. Slovenská sporiteľňa is the largest universal bank in Slovakia. Since 2001 it is a member of **one of the largest and the most important Central European banking groups, Erste Group**. Slovenská sporiteľňa has a strong capital background and has been achieving strong financial performance on a long-term basis, as evidenced by several significant awards from reputable magazines.

Erste Private Banking is a **leading asset manager in Central and Eastern Europe and the largest of its kind in Austria**.

Erste Private Banking is active in six countries, manages assets of 16,000 clients of private banking in the total amount of 17 billion euros.

Erste Private Banking service has been designed for clients who are interested in **long-term appreciation of their funds** and whose volume of assets set to invest amounts to at least EUR 200,000. When providing this individual financial service, we use the Erste group know-how in global markets as well as investment and decision-making models. We put emphasis on customer satisfaction, confidentiality and quality of service that will meet even the demanding requirements of client assets management.

We offer two basic types of services: **individual investment decisions** for each client based on his preferences, and **the discretionary portfolio management**, which uses professional investment decisions and appropriate responding to the financial markets, made without emotions, based on strategic and tactical allocations.

Special solutions for Erste Private Banking clients

- Discretionary portfolio management
- Trading and asset management in confidential mode
- Purchase, sale and management of securities
- Forex trades
