MiFID II Product Governance / Eligible Counterparties, Professional Investors and Retail Investors Target Market

Solely for the purpose of the Issuer's (as a product manufacturer) product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and non-professional (retail) clients, each as defined Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments, as amended (**MiFID II**) and (ii) all channels for distribution of the Notes are appropriate, including investment advice, non-advised sales and only execution services. Any person subsequently offering, selling or recommending the Notes (a **Distributor**) should take into consideration manufacturer's target market assessment, however subject to MiFID II rules, a Distributor is responsible for undertaking its own target market assessment in respect of the Notes (by

either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

Prohibition of Sales to Retail Investors in the United Kingdom

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail client (investor) in the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of the Commission Delegated Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (**EUWA**); (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (**FSMA**) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of the UK Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (**the UK PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the United Kingdom has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the United Kingdom may be unlawful under the UK PRIIPs Regulation.
