Solely for the purpose of the Issuer's (as a product manufacturer) product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and non-professional (retail) clients, each as defined Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments, as amended (**MiFID II**) and (ii) all channels for distribution of the Notes are appropriate, including investment advice, non-advised sales and pure execution services. Any person subsequently offering, selling or recommending the Notes (a **Distributor**) should take into consideration manufacturer's target market assessment, however subject to MiFID II rules, a Distributor is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.
