

Dear client,

Slovenská sporiteľňa, a. s. (hereinafter referred to as the "SLSP") is **obliged to obtain from its clients - tax non-residents of the Slovak Republic** - information about the country of their tax residence and the tax identification number (TIN). This obligation is imposed on the bank by the **Act No. 359/2015 on automatic exchange of information on financial accounts for the purposes of administration of taxes** (hereinafter referred to as the "Act") and **Decree No. 446/2015 of the Ministry of Finance of the Slovak Republic** (hereinafter referred to as the "Decree").

Following your contractual or other engagement relationship with SLSP existing as of 31 December 2021, we have identified you, pursuant to the above mentioned Act, as a potential non-resident tax resident in the Slovak Republic (e.g. you have a permanent address, telephone number or other data entered in bank records abroad).

Therefore, we **ask you to provide the required information** about the country of your tax residence in another Member State or country that is a State party to the international treaties and **provide the relevant tax identification number (TIN) through the official website of Slovenská sporiteľňa**. <https://www.slsp.sk/sk/ludia/non-product/danova-rezidencia>.

However, if you have changed the information provided to the bank when establishing your account or other contractual relationship and in the meantime you have become a tax resident of the Slovak Republic or of another country, such as a Member State or a State party to an international treaty, **it is necessary to notify the bank thereof**.

Please, therefore, refer to any SLSP branch *for the purpose of updating the data* and submitting a tax residence certificate issued by the tax administrator in the Slovak Republic or in another country, such as the Member State or the State party to the international treaty, in the shortest possible time.

You can find more information on the website of Slovenská sporiteľňa or get it on tel. no. 0850 111 888 Client Center.

Thanks for understanding and providing the requested information.

Sincerely,

Slovenská sporiteľňa, a. s.
